

Your Future starts here

Science

KING'S LYNN ACADEMY

Experimental Science
Standard Procedures
Enquiry
Understanding
Using Required Practicals

Biology
Genetics
Evolution

Chemistry
Carbon Chemistry
Chemical Analysis
Atmosphere
Using resources

Physics
Waves
Magnetism
Space

Year 11

Experimental Science
Standard Procedures
Enquiry
Understanding
using Required Practicals

Biology
Feedback and Control
Plants
Ecology

Chemistry
Structure and Bonding
Quantitative Chemistry
Controlling Reactions

Physics
Forces
Electricity in the Home
Radioactivity

Year 10

Experimental Science
Standard Procedures
Enquiry
Understanding

Biology
Growth and Differentiation
Organ Systems
Infection

Chemistry
Periodic Table
Matter and Energy
Using Resources

Physics
Energy
States of Matter
Waves

Year 9

Experimental Science
Standard Procedures
Enquiry

Biology
Tissues and Organs
Respiration
Life Diversity

Chemistry
Pure Substances
Reactants and Products
Earth Systems

Physics
Gravity
Light
Movement

Year 8

Experimental Science
Standard Procedures

Biology
Cells
Interdependence
Reproduction

Chemistry
Substances and Particles
Changing Substances

Physics
Energy
Forces
Electrical Circuits

Year 7

Welcome to KLA your Journey starts here
