## What Parents & Educators Need to Know about

# TOY SCALPING, FAKES & SCAMS

Online scalping is when individuals or groups use automated software (bots) to bulk-buy high-demand items – such as gaming consoles, concert tickets, limited-edition trainers, or exclusive merchandise – with the intention of reselling them at vastly inflated prices. It's a fast-moving online trend that can frustrate young consumers and expose them to misleading practices or financial harm. As this unethical tactic grows, it's important to help children and young people understand how scalping works and how to navigate it responsibly.

### WHAT ARE THE RISKS?

#### FINANCIAL PRESSURE AND MANIPULATION

Scalpers create artificial scarcity by buying up large quantities of stock before the public has a fair chance to purchase. This drives up demand and pushes prices to extreme levels. Young people may feel intense pressure to spend more than they can afford for fear of missing out entirely.

#### EXPLOITATION OF FANDOMS

Scalping often targets popular releases with strong fan bases, knowing that loyal followers are emotionally invested. Children and young people may place huge value on owning certain items linked to their favourite artists, sports teams or games, making them more likely to accept unfair prices or questionable sellers.

#### ACCESSING UNSAFE WEBSITES

In the rush to secure rare items, young people might click through to unverified sellers, online marketplaces with little consumer protection, or even sites designed specifically to harvest personal and financial data. This can expose them to fraud, malware, and identity theft.

#### NORMALISING UNETHICAL BEHAVIOUR

Some influencers and online communities present scalping as a clever money-making scheme rather than an exploitative one. This can normalise dishonest behaviour and blur the line between legitimate business and opportunistic profiteering for younger audiences.

#### RISK OF SCAMS OR COUNTERFEIT GOODS

Not every high-priced resale is legitimate. Fraudulent sellers may take payment for goods they never send, or ship counterfeit versions of branded items. In some cases, the product may look authentic in photos but turn out to be of poor quality or completely different from what was advertised.

#### REINFORCING INEQUALITY

Scalping makes already expensive items even less accessible, particularly for lower-income families. Children may feel excluded from trends or shared experiences with friends if their family cannot meet the inflated prices, which can lead to feelings of isolation and disappointment.

## Advice for Parents & Educators

#### TALK ABOUT ONLINE FAIRNESS

Use scalping as an opportunity to discuss fairness, consumer ethics, and how some people exploit markets for profit. Encouraging children to think critically about whether they truly need an item – and at what cost – can help them make more considered decisions.

#### ENCOURAGE PATIENCE OVER IMPULSE

Teach young people to wait for official restocks or future releases instead of paying over the odds. Many products come back into circulation, and patience can save significant amounts of money while reducing the likelihood of falling victim to scams.

#### SUPPORT INFORMED PURCHASING

Show children how to check seller credentials, read independent reviews, and verify whether a site is secure before making any payment. Knowing how to spot red flags, such as unrealistic promises or missing contact details, can prevent costly mistakes.

#### SET SPENDING BOUNDARIES

Establish clear rules for online spending, including limits on prepaid cards, gaming gift cards, and online wallets. Discuss the real-world value of money spent on digital or collector's items so children understand the long-term impact of their purchases.

## Did you know?

Aspirations reflect teenagers' hopes or desires to reach a particular level of education or reach a career. Studies shows that students with either high aspirations or high expectations have higher school achievement than those with both low aspirations and low expectations.

Research suggests that there is a correlation between teenage goals, aspirations and psychological wellbeing. Raising aspirations is also believed to incentivise improved attainment.

Further studies have shown that parents believe their child will find it harder to achieve their life goals than they did because there is more competition for job roles than they faced when they started their careers. According to research from the Education Endowment Foundation, most young people actually have high aspirations.

## What can you do?

Talk to your child about their career, education or life aspirations. Be positive about what their hopes and dreams are and encourage them to start to be proactive in achieving them.

Try to raise your child's aspirations by highlighting new opportunities. Develop their self-esteem, motivation and expose them to role models to look up to. Inspire your child to be excited about their future and motivate them to pursue their dreams.

Young people who take part in family time or activities with their parents are more likely to continue these, achieve in education and seek out career opportunities. Arrange to do things with your child such as theatre trips, cultural activities, concerts, museums, hobbies or exercising.

NOVEMBER 2025

Dear Parent,

As your school's chosen uniform supplier, along with a new CEO and other contributing factors, we have made the decision to move the purchasing of school uniform to ONLINE ONLY. Since COVID purchasing online has been the way forward for many companies, and we accept that we also must make changes to provide a better service. We experimented with several different ideas this year, some worked, some failed but overall, the online service proved to be the best way forward. This does mean uniform will not be available to 'try on' and the 'School Shop' will not be available during the summer holiday as in previous years. All uniform collections will still be from our 'service window' at Stratfords, uniform deliveries can still be made free of charge to your designated school (term time only). Our refund and exchange policy has been updated to reflect the changes.

Kind regards,

The Schools Team

## PE Fixtures Round-Up

Last week was an action-packed one for our PE department, with a fantastic range of fixtures showcasing commitment, teamwork, and brilliant effort from our students.

We started the week with Key Stage 3 Badminton, where we entered a team of eight. The team showed great determination, winning several matches. Although we didn't come away with an overall victory, it was a thoroughly enjoyable evening with plenty of high-quality badminton played.

Next up was the year 10 girls basketball. We entered one team who competed in full-court games and demonstrated excellent teamwork throughout. We are incredibly proud of how far they have developed over the past year, their progress was clear to see.

On the same evening, we also took part in the year 8 girls basketball tournament, entering three teams. The cross-court games gave the girls valuable experience, and there was lots of learning on display. We were especially impressed by the number of girls keen to take part, fantastic enthusiasm all round!

On Thursday, our year 7 girls football team travelled to Norwich for a County Cup match. The girls played brilliantly and looked strong from the start. We scored first, before our opponents equalised and later made it 2-1. Despite the final score, the team held their heads high and showed great resilience. We are extremely proud of their commitment, teamwork, and ongoing engagement in girls' football.

Well done to all students involved in fixtures last week, your effort and enthusiasm continue to make us proud!!

## Year 7 Round Up – Compiled by Mrs Mann:

Happy Friday everyone. I can only apologise that I have been absent all week. Unfortunately, the virus hit me and then I hurt my back which just finished me off! However, with just one more week to go; the best week of the term, full of celebrations and Christmas shenanigans, I will not be missing out. If I must scoot round in the wheelchair, then I WILL!!!

Attendance has been low again this week as we are still seeing a high number of students off with the viral infection. In some cases, the new strain of the flu. Our attendance in year 7 was 90% this week. Please can you send a paracetamol in with your child, should they need one during the day and we will, as always support where needed. If your child is unwell, has any upcoming appointments, which it has been unavoidable to book out of school time please remember to contact us before 8.30am, preferably via our absence email - [studentabsence@kla.eastern-mat.co.uk](mailto:studentabsence@kla.eastern-mat.co.uk) or call the absence line **01553 602874**. Heads of year are calling each day to check in with parents and students; at the third day of absence we will be required to carry out a home visit/or video call. Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages.

As you know, should you need to contact me for a pastoral issue that you would like to discuss as Head of Year 7, then please email me, [emma.mann@kla.eastern-mat.co.uk](mailto:emma.mann@kla.eastern-mat.co.uk). Alternatively, you can call me on **07511 225248**. My work mobile is on between 8am and 4pm Monday to Friday however please remember that my phone will remain in my office and that I can only answer if at my desk.

Let's start the congratulations off this week for another amazing student with successes in extracurricular activities. My super star this week is **Rosie Oliver**. Rosie is pictured here in her new Peterborough Emerging Talent Academy football kit. Rosie was spotted by the head of player recruitment for Peterborough at a tournament back in August whilst she was playing for her local girls' team. She was approached to go and trial for them. Three trial sessions later and she was asked to join their team! Rosie's family are so proud of her and so they should be. A huge well done to Rosie! Watch this space for our future Lioness!

In assembly this week we celebrated the amazing star students and their successes. Congratulations to the following students –

Maths – **Harry Ely** and **James Grange**

Food – **Theo Pezzillo**

Geography – **Willow Copeman**

ICT – **Eve Aldous**

Science – **Harry Hackett-Fairhead**

Drama – **Mylee Crofts**

DT – **Eve Aldous**

Music – **Jack Sargeant**

Art – **Violetta Vinogradova**

PE – **Willow Copeman**

MFL – **Alice Head** and **Tyler Wilson**

Have a safe and healthy weekend.

Mrs Mann.

# Year 8 Round Up – Compiled by Mrs Lockey:

Happy Friday!

Just a gentle reminder from me about uniform, thanks to you all have been fantastic supporting us with this really important issue; please remember leggings are not permitted. Some girls are creeping in with them; we need them to be trousers or KLA skirts. If there are any issues, please feel free to let me know if we can help in any way. We always endeavour to support all the children.

We are running the **hamper challenge** again this year any contributions are gratefully received. These are given out every year to OAPs in the community. Many thanks to all that have already donated and in advance for those of you that will. This is the 8<sup>th</sup> year we have organised this; any contributions to go to **Miss Bowen's** room or myself.

Attendance this past week has been **90.2%** - can we please attend each and every day wherever possible. I totally appreciate there are some illnesses that cannot be prevented. This is the lowest it's been this year with all the germs and bugs. If your child is unwell, has any upcoming appointments, which it has been unavoidable to book out of school time please remember to contact us before 8.30am, preferably via our absence email - [studentabsence@kla.eastern-mat.co.uk](mailto:studentabsence@kla.eastern-mat.co.uk) or call the absence line **01553 602874**. Heads of year are calling each day to check in with parents and students; at the third day of absence we will be required to carry out a home visit/or video call.

Thank you all so much for your support with arriving on time this week.

If your child is late without a valid reason time will be made up and they will work in the late room on arrival. Detentions are then set followed by after school detentions without good reason for lateness.

As a year group we have achieved **2,256** points this past week up to Wednesday! Well done year 8, that is fantastic, keep up the great work and efforts in your lessons! That is amazing!

Our **highest achiever** this week in the year group was **Phoebe Metcalfe**, a massive well done goes to her. Keep up the hard work and effort in your lessons.

**Student of the week** this week goes to **Peter Hurren**, he has made an amazing start back to school. Well done **Peter**, keep up the amazing work, you have been fabulous.

If your child does any activities outside of school, please let me know ,so happy to share please email me always love to know what the students are doing in their own time. [hayley.lockey@kla.eastern-mat.co.uk](mailto:hayley.lockey@kla.eastern-mat.co.uk)

# Year 10 Round Up – Compiled by Miss Fountain:

Another Friday is here, happy Friday everyone!

5 school days left, this time next week the holiday begins! As I said last week, this also means we are getting closer to Christmas, the joy and happiness, but also the stress, worry and even upset of missing a loved one this time of year. As I have already said, if you need anything, especially with Christmas on its way, please do not hesitate to let me know and I can either support you or signpost you to someone or somewhere that can. My number is **07511 224223**, or email [lucy.fountain@kla.eastern-mat.co.uk](mailto:lucy.fountain@kla.eastern-mat.co.uk)

## What's happening at KLA:

Next week we are hosting 4 mornings of celebrations! We hold reward assemblies at the end of every term for each house, where there are many awards given out and lucky draws where names are pulled out of a hat for the chance to win a prize. It's always a lovely end to a term, but the Christmas one always has a special feel to it. Fingers crossed for your young person!

Attendance has again been really low as there are still so many bugs around affecting everyone. Please can I ask you keep me updated when your young people are too unwell to attend by contacting KLA on either: [studentabsence@kla.eastern-mat.co.uk](mailto:studentabsence@kla.eastern-mat.co.uk) or call the absence line **01553 602874** Please be aware we do visit on day 3 of absence, this is just to ensure your young people are safe and if there are any barriers to them attending, we may be able to help.

## Celebrating at KLA

The top achievement points this week were for:

| Student              | Total |

## Year 11 Round Up compiled by Mrs Laws:

Well, what a week this has been. The year 11's have done themselves proud with their performances in their mock exams so far, just one more day next week then that is it until after the new year.

Could I please remind parents to kindly not book dentist/doctor appointments for students while the mocks are on again in February 2026 unless they are an emergency; we need the students in for all their mock exams because if anything were to happen such as another pandemic or your child has an accident and can't sit their GCSE's, the mock grades are the ones that will be used to award their GCSE's by the examination boards along with any course work they have done. This is why we put such a big emphasis on them. Please bear in mind the actual GCSE's will be in May and June 2026 and again the examination board will not permit students to miss their GCSE's for an appointment, they will just get a U mark.

We do have half term holidays in February and April for Easter so please utilise those for appointments.

Hoodies are not allowed in school so will need to be removed at the door as students arrive, so they most certainly are not allowed to wear them in their exams either.

Yesterday was Christmas Jumper day here in the academy, so as you can imagine we were awash with festive Santas, Rudolphins, snowmen and tinsel.

If you need to contact me for a pastoral issue as Head of Year 11, then please email me on [jacqueline.laws@kla.eastern-mat.co.uk](mailto:jacqueline.laws@kla.eastern-mat.co.uk). Alternatively, you can call me on **07591 388678**. My work mobile is on between 8am & 4pm. I would just like to remind you all that I am not on school site from 12.30pm on a Thursday as I will be over at the college with my students. On Thursdays, my work phone will be on until 4.30pm. As we are setting a positive example for the students, I do not have my mobile with me around the academy anymore, only in my office so please be mindful of this when you call, and I will return your call asap.

Year 11 attendance was 90% this week which is up on last week. Attendance in year 11 is CRUCIAL. Literally every day matters. It's a proven fact that the better your school attendance, the better GCSE grades you achieve, the better job you get so the more money you earn. I will be constantly reminding you of this throughout the year. Thank you to all those students attending session 5 every day, your grades show it's working, keep that commitment up in the new year as well.

Well done to those of you who were here every day, and to those of you who still have 100% attendance this academic year, that is amazing! If your child is unwell, has any upcoming appointments, which it has been unavoidable to book out of school time please remember to contact us before 8.30am, preferably via our absence email - [studentabsence@kla.eastern-mat.co.uk](mailto:studentabsence@kla.eastern-mat.co.uk) or call the absence line **01553 602874**. Heads of year are calling each day to check in with parents and students; at the third day of absence we will be required to carry out a home visit/or video call. Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages.

Please make sure when booking appointments during school time you remember to provide us with the medical evidence so we can authorise these absences and it then won't make a difference to your child's attendance percentage.

As a group we have achieved just over 1000 reward points this week which is amazing especially as we have been in exams most of the time! Our highest achiever was **Oskar Switek**, congratulations to him!

Have a restful weekend ready for the last week of term. Reward assemblies are on so lots of goodies to be won.

Mrs Laws.
