## Gifted and talented at KLA – printmaking masterclasses in the ADT faculty:

Over the past six weeks, Miss Ruskin has led our first after-school printmaking masterclasses, giving students the opportunity to develop their skills and explore specialist techniques beyond the classroom.

A big shout-out to the 20 gifted and talented students from across the ADT faculty who took part. Their focus and creativity have resulted in an impressive range of prints, including screen printing, drypoint etching and reduction lino cutting.

The quality and variety of outcomes have been fantastic to see — a real showcase of the dedication and talent within our ADT faculty.

Thank you to Miss Ruskin for giving up her time! And, watch this space, as the days get lighter and students have chosen their options, we will hopefully offer more extra- curriculum enhancing sessions.

## What Parents & Educators Need to Know about

# WHATSAPP

AGE RESTRICTION  
**13+**

### WHAT ARE THE RISKS?

WhatsApp is a free messaging app owned by Meta, allowing users to send text and voice messages, share multimedia, make video calls, and chat in groups. With end-to-end encryption, only the sender and receiver can view messages. This may offer privacy, but it also comes with risks that parents and educators need to be aware of.

### GROUP CHAT PRESSURES

Group chats enable multiple users to message in the same space, but this can also make it easier for young people to feel excluded or overwhelmed. Negative comments can escalate quickly, and young people may feel pressure to respond or stay engaged even when the conversation is uncomfortable or upsetting.

### SCAMS TARGETING YOUNG USERS

Scammers are increasingly using WhatsApp to trick users into sharing personal information. Common scams include fraudsters posing as family members in an emergency or tricking users into revealing security codes. These can lead to identity theft or access to private conversations.

### DISAPPEARING AND HIDDEN MESSAGES

WhatsApp offers features like disappearing messages and 'chat lock', which can give users a false sense of security. While intended to protect privacy, they can be used by young users to hide inappropriate conversations or content, making it harder for adults to spot potential issues.

### EXPOSURE THROUGH CHANNELS

'Channels' are an optional feature that allows users to follow updates from public figures or organisations; however, there is no way to block this feature or filter its content by age. Young users may encounter adult or distressing content, including misinformation and harmful ideologies.

### UNWANTED CONTACT AND LOCATION SHARING

WhatsApp users can share their live location, and if not managed carefully, this can allow others – even those in mutual groups – to track someone's whereabouts. Also, without the right privacy settings, young users may be contacted by strangers.

### COMMERCIAL AND AI CONTENT

WhatsApp now includes ads in the 'Updates' feed and has introduced an AI assistant – Meta AI – across the app, which cannot be removed. These additions raise concerns about targeting, privacy, AI use, and the type of content children and young people might interact with.

...ONLINE...

## Advice for Parents & Educators

### REVIEW PRIVACY SETTINGS TOGETHER

Help young users check who can see their profile photo, status, and location. Activate the 'Silence Unknown Callers' setting and set group chat invitations to 'My Contacts' or 'My Contacts Except...' for added safety.

### TEACH HOW TO SPOT SCAMS

Encourage caution around unusual and unexpected messages, especially if they involve money or codes. Help young users understand the signs of scams and what to do if they receive a suspicious message. Enable two-step verification to add an extra layer of protection.

### BE OPEN ABOUT HIDDEN CHATS

Discuss why children and young people might use features like disappearing messages or 'Chat Lock'. Encourage them to share if something made them uncomfortable, even if the messages are gone. Let them know that privacy should not mean secrecy.

### TALK ABOUT ADVERTISING AND AI

Explain that WhatsApp now includes ads and AI tools. Discuss the difference between genuine and sponsored content, and the potential for AI to share inaccurate or age-inappropriate responses. Encourage young users to think critically before trusting or interacting with these features.

### Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

## Work experience to prepare for their future?

Information for parents and carers

### Did you know?

Employers are really keen on work experience and what it gives young people such as the confidence and skills to succeed in a workplace and become 'workplace-ready'. Work experience stands young people in good stead for their future employability. A prospective employer will always look favourably on the effort taken by those who have done work experience, which empowers new talent and gives them an edge to push for the most sought-after graduate positions.

A recent survey (UCAS) showed two thirds of employers look for graduates with relevant work experience because it helps them prepare for work and develop general business awareness.

As well as the many benefits that work experience provides, such as giving young people skills, fostering teamwork, developing communication and providing commercial awareness, experience allows them to stand out to potential employers and helps them choose the right sector to work in.

### What can you do?

Work experience isn't just about 'workplace' settings but is a lot broader. All kinds of activities can help your child gain experience, so do encourage them to do an apprenticeship, volunteer, fundraise, complete the Duke of Edinburgh award, take on a part-time job or be an entrepreneur. Help your child apply for placements and get them to start building a CV.

Encourage your child to differentiate themselves and to make themselves more employable. Help them to find work experience placements or new opportunities to try out - which will impress employers and improve their personal development. Try looking on websites with your child, such as [targetcareers.co.uk](http://targetcareers.co.uk) and [gothinkbig.co.uk/opportunities](http://gothinkbig.co.uk/opportunities). Suggest to your child

that they could also speak to a careers advisor through school to help them find the right experience for them.

Help your child understand what they are passionate about and the different job roles they would like to experience. Start by looking at local companies, charities or by contacting family friends to see if they can help out. Watch this video with your child to help inspire them to find the right experience for them:

Thank you for your continued support in helping students arrive prepared and ready to learn. If you have any questions regarding PE kit requirements, please do not hesitate to contact the PE department.

## Year 7 Round Up – Compiled by Mrs Mann:

Welcome back indeed. I do hope everyone had a wonderful week off, no doubt lots of fun was had at the Mart and far too many sweets eaten. It was lovely to welcome everyone back on Monday and even nicer that the sunshine has decided to make an appearance too.

Year 7's have come back with a strong work ethic as always and they have been fantastic. Overall, they have achieved 3109 achievement points. Our highest achiever is **Harmony Keegan** with 48 achievement points. Congratulations to you all.

Attendance in year 7 was 95% this week. If your child has to have time off school, please ensure that you call the absence line on 01553 602874 or call the main reception and select option 1 to explain why. If we send you a text message and you are unable to respond, please send a note in with your child when they return to school explaining why they have been away. Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages.

Just a reminder of our academy's expectations regarding uniform - black trousers, no jeans or leggings, KLA skirts only with white shirts, tie and blazer. If you do have any issues with your child's uniform or if you need any help purchasing items, please do not hesitate to contact me as we have some uniform in the swap shop which may help. Fluffy coloured socks are not permitted as uniform along with fleece lined leggings. Acrylic nails and hoop earrings are also not allowed for school. They are dangerous when taking part in practical subjects. Please can we ask that only items featured within our uniform policy are worn.

As you know, should you need to contact me for a pastoral issue that you would like to discuss as Head of Year 7, then please email me, [Emma.Mann@kla.eastern-mat.co.uk](mailto:Emma.Mann@kla.eastern-mat.co.uk). Alternatively, you can call me on **07511 225248**. My work mobile is on between 8am and 4pm Monday to Friday however please remember that my phone will remain in my office and that I can only answer if at my desk.

### Important Dates

Friday 20<sup>th</sup> March – Non-uniform day

Friday 27<sup>th</sup> March -Last day of term

Tuesday 14<sup>th</sup> April – School re-opens

Have a lovely weekend & stay safe.

Mrs Mann.

# Year 8 Round Up – Compiled by Mrs Lockety:

**Happy Friday! Welcome back.**

Just a gentle reminder from me about uniform, thank you for supporting us with this; please remember leggings are not permitted. Some girls are creeping in with them but we need them to be wearing trousers or KLA skirts. If there are any issues, please feel free to let me know if we can help in anyway. We always endeavour to support all the children.

We have also had a large number of students forgetting their PE kits; if they could be reminded to check their Arbor for their PE days it would be much appreciated.

Attendance this past week has been **93.2%**. Can we please attend each and every day wherever possible. I totally appreciate there are some illnesses that cannot be prevented. If your child has to have time off school, please ensure that you call the absence line on **01553 602874** or email **studentabsence@kla.eastern-mat.co.uk** Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages. Heads of Year call each day to check in with parents and students; at the third day of absence, we will be required to carry out a home visit/or video call. If your child is late without a valid reason time will be made up and they will work in the late room on arrival. Detentions are then set followed by after school detentions without good reason for lateness. Thank you all so much for your support with arriving on time this week.

To support the students and to set the right example, I will not be using my mobile phone when I'm out and about around the school. Please take this into consideration when contacting me, I may not be able to answer your call or text as quickly as I would like. I will endeavour to return your call/text as soon as I can during my working hours. If you have a pastoral issue you would like to discuss with me as Head of Year, then please email me on **Hayley.Lockety@kla.eastern-mat.co.uk**

As a year group we have achieved **2,805** points this past week, up to yesterday! Well done **year 8**.

Our **highest achiever** this week in the year group was **Abigail Bellars**, a massive well done to her. Keep up the hard work and effort in your lessons.

**Student of the week** this week goes to **Archie Creed**, he has made an amazing start back to school. Well done **Archie**, keep up the amazing work, you have been fabulous.

## **Shout out**

If your child does any activities outside of school, please email me, I always love to know what the students are doing in their own time. **Hayley.Lockety@kla.eastern-mat.co.uk**

## **Dates for your diary**

Celebration evening Thursday 5<sup>th</sup> March

## Year 9 Round Up – Compiled by Mrs West:

# Year 10 Round Up compiled by Miss Fountain:

Happy Friday everyone, I'm back!! Please accept my sincerest of apologies for my prolonged absence, it was completely out of my control, but I am now back and have been catching up with as many parents and students as possible. If there is anything you need, please do not hesitate to contact me.

## This week:

The assembly this week was a mixed bag really, with me handing out certificates for star student of the week for each subject, to Mrs Leeming-Watts reminding our students that all work experience needs to be logged by 6th March! Mr Robinson has also encouraged our students to use different techniques to manage time, with one technique called the Pomodoro technique. I am definitely going to try this one myself!

Please remember there is a homework club after school until 4pm as well as lunchtime clubs to support the students daily.

## Celebrating our achievements:

This week as a year group we achieved 2010 achievement points! Well done guys!

The top 3 points achievers this week are:

Student	Week
Mycock, Jacob	33
Horner, Charlie	29
Tann, Nancy	28

## Everything else:

### Uniform:

Please can you check your young person's uniform every day as we are now issuing **lunch time detentions for incorrect and/or missing uniform.**

The following rules are non-negotiable:

- Leggings are NOT permitted.
- The only jumpers we should be seeing are KLA jumpers, no hoodies or sports jumpers please.
- Blazers are to be worn at all times, as are ties.

### Attendance:

Attendance this week was rather low at just over 92%. Thank you for your support but I also do ask that you send your child in if they can get here, however, I do understand that children and young people do pick up lots of illnesses and infections.

Can I ask you keep me updated when your young people are too unwell to attend by contacting KLA on either:

[Studentabsence@kla.eastern-mat.co.uk](mailto:Studentabsence@kla.eastern-mat.co.uk) or call the absence line **01553 602874**

### Anything else:

If you have anything you think deserves a shout-out please let me know and I will pop it into the bulletin next week.

I have nothing left to say other than have a fabulous weekend, stay safe and I shall catch up with you all again soon.

Miss Fountain.

## Year 10 Work experience:

A polite reminder that work experience placements need to be logged on Unifrog by the 6<sup>th</sup> March.

A ParentMail has already been sent to all year 10 parents regarding this. Please disregard if your child has already logged their placement.

Mrs Leeming-Watts

PE Teacher and Careers Leader.

# Year 11 Round Up compiled by Mrs Laws:

Welcome back year 11. I hope you all had a lovely week off. The last of the mocks have taken place this week, so students are now on the final stretch before their GCSE's start. Literally every minute counts in school, now even more so.

## Leavers Hoodies

It has been lovely to see the leavers hoodies orders going in. As you know, they have been launched and you would have received an email with a link to the company. All the information is on there, size guides, colour charts and pricing. Please make note that the final date for ordering is FRIDAY 27TH MARCH. To avoid disappointment, click the link and place your order nice and early! Thank you to everyone who has ordered already.

## Parents evening

The bookings will open shortly for parents evening. It will be their last one here so vitally important that as many of you attend as possible for feedback on how best to help your child in their GCSE's. If you have any issues booking appointments, please get in touch and I can help you with this. I will be holding a small raffle at parents evening to raise money for prom. Tickets will be sold at £1 a strip if you wish to buy and support our fundraising. Tickets will be drawn on the night so please check the prize table before you leave, you may just be lucky enough to have a winning ticket!

We also have some stunning new and nearly new suits and dresses available for the prom, so feel free to find me and I will take you to have a look.

## Prom

Prom fundraising continues to go well and we have received some fab donations. The students have all been on board with it, really getting stuck in. That said, we still have much more to raise. To date, we have raised money from a non-uniform day, guess how many chocolates are in the jar, Valentines Roses & a bake sale. Our next fundraiser events will be a raffle and an Easter bake sale.

## Uniform

Standards for year 11 are falling and the students are expected to be in full school uniform white shirt, black trousers (not leggings) blazer and tie every day. As explained to students earlier this week this is also something that the exam boards require for the GCS'Es, so please make sure your child is suitably kitted out. If they have grown out of their blazers, please let me know and we may be able to swap for another one as they will be expected to be in full uniform until they leave here in June.

If you need to contact me for a pastoral issue as Head of Year 11, then please email me on [jacqueline.laws@kla.eastern-mat.co.uk](mailto:jacqueline.laws@kla.eastern-mat.co.uk). Alternatively, you can call me on **07591 388678**. My work mobile is on between 8am & 4pm. I would just like to remind you all that I am not on the school site from 12.30pm on a Thursday as I will be over at the college with my students. On Thursdays, my work phone will be on until 4.30pm. As we are setting a positive example to the students, I do not have my mobile with me around the academy anymore, only in my office so please be mindful of this when you call, and I will return your call asap.

Year 11 attendance was 91% this week. Attendance in year 11 is CRUCIAL. Literally every day matters. It's a proven fact that the better your school attendance, the better GCSE grades you achieve, the better job you get so the more money you earn. I will be constantly reminding you of this throughout the year.

Please make sure when booking appointments during school time you remember to provide us with the medical evidence so we can authorise these absences and it then won't make a difference to your child's attendance percentage.

Have a great weekend and see you all on Monday.

Mrs Laws.

## Year 11 Round Up continued...

### Year 11 period 5 For Art and Photography

All year 11 photographers and artists are invited to period 5

**Monday, Wednesday & Thursday**  
**in N1**

And also **Wednesday in CG5**

## Year 11 interventions...

It would be hugely beneficial for the students to attend as many period 5 interventions as they feel they can. These sessions will be of significant value in the run up to the exams.

As a reminder;

Science have period 5 on Monday.

Maths have period 5's on Tuesday, Wednesday and Thursday.

English have period 5 on Wednesday.

Option subjects' period 5 Thursday.

If anyone is unable to make period 5's for maths then Mr Crockett, head of maths, is running intervention sessions in his class at lunchtimes.

Some teachers and subject departments are, and will, offer other opportunities if they can if a student is struggling to attend one of the pre-arranged ones.

Thank you for your continued support as we all work toward helping these fine young people use every opportunity to fulfil their potential and succeed in their GCSE's.
