

news from

King's Lynn Academy

Friday 6th March 2026

Dates for your diary:

Wednesday 18th March – Year 11 parents evening - ON SITE

Friday 20th March – Non-uniform day

Thursday 26th March – Year 7 REMOTE parents evening

Friday 27th March – Last day of term

Tuesday 14th April – School reopens after Easter holiday

Monday 13th April – Year 10 Work experience starts

Friday 24th April – Year 9 College of West Anglia taster day

Friday 1st May – Non-uniform day

Friday 1st, 2nd, 3rd May – School musical show

Swap Shop:

We run a swap shop here at KLA and our stocks are running low, if you have any uniform you no longer need please consider donating it to our swap shop.

Student absences & medical appointments:

If your child has to have some time off school unwell or for any other reason, please ensure that you contact the absence team if possible **before 8.30am** via our absence email on:

studentabsence@kla.eastern-mat.co.uk or call the new absence line

01553 602874 and leave a message.

Please include your child's name, year group and why they are absent. If we have no contact from you we will send you a text message if your child is absent.

If you need to take your child to a medical appointment during school time please can we ask that you either send in an appointment card or letter with your child or please email them to **studentabsence@kla.eastern-mat.co.uk** so we are aware in advance when you collect your child.

Requesting time off in term time:

In the exceptional circumstance you need to request time off in term time, please complete an application for pupil leave of absence from school during term time, as soon as possible and return it to the attendance department or email it to studentabsence@kla.eastern-mat.co.uk. The form can be downloaded from the link below, found on our school website or collected from the school reception. Requests can only be actioned if submitted on this form, you will be notified via email of the decision. Please note requests will only be authorised in exceptional circumstances. [download.asp](#)

We are recruiting:

We have some fantastic opportunities to become a member of our esteemed team here at KLA. Please follow the link below to see our latest vacancies.

[Eastern Academy Trust - Vacancies and Careers \(eastern-mat.co.uk\)](#)

Sparx Learning

Maths learning (SPARX Maths)– Every week
English learning (SPARX Reader) – Every Tuesday
Science learning (SPARX Science) - Every Friday

Lunchtime laptop homework club

Wednesday &
Thursday
lunchtime
1.05pm – 1.40pm

We offer help with homework and a safe place to chat.

Find us in the office opposite Student Services

Achievement points given to anyone who attends.

Homework

If you need help or just a quiet place to complete your homework, please come and join us in CG2 on Monday, Tuesday and Wednesday 3pm till 4pm In CG2

Miss Stevens, Mrs Davis and Mrs Adderson-Paul

Family HUB Appointments

Family HUB are offering pre-booked appointments at KLA on:

- Tuesday 10th March
- Thursday 12th March

If you would like to book an appointment, please contact Alex Hills on 01553 774671 or alex.hills@kla.eastern-mat.co.uk

Family HUB can offer support/advice with many things such as:

- Money
- Housing
- Education
- Work
- Childcare
- Parental health and wellbeing
- Childs health, development and wellbeing

KLA Coffee Morning with Family HUB

Date: Monday 16th March

Time: 9:30 to 11:30

For: any parent/carer of a student at KLA

To confirm attendance or find out more, please contact Alex Hills (SENCo) on alex.hills@kla.eastern-mat.co.uk

Attending agencies:

- Family Action
- Family HUB
- Community Police
- SEMH specialist
- Autism Support Team
- Schools and Communities Team
- Redi Team
- MAP
- Kids
- Library
- On Track, Matthew Project

Arty Easter Eggs

Decorate an egg like an artwork or art movement.

Deadline:

Wednesday 25th March 2026

Decorate a real egg or work on paper.

🎨🥚 Easter Egg Art Competition 🥚🎨

All students and staff are invited to decorate an egg in the style of an artist or art movement.

🌟 How to enter:

Decorate a real egg OR create a design on paper – no limits, just imagination!

Choose an artist, for example Yayoi Kusama, Van Gogh, Keith Haring or an art movement like Pop Art, Surrealism.

Submit your finished egg design to Mrs McGrane in N1, by Wednesday 25th March 2026

The best egg of each year group wins a Chocolate Bunny!

📷 Optional: Send a photo of your egg to tina.mcgrane@kla.eastern-mat.co.uk if you prefer digital submission.

**STUDENT
COMMISSIONERS
EASTER EGG
COLLECTION**

FOR: KING'S LYNN FOOD BANK

DEADLINE: TUESDAY 24TH MARCH

**DROP OFF: MISS HAMMOND'S
CLASSROOM - S5**

Online Safety:

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators

CREATIVE WAYS TO ENCOURAGE READING

Reading regularly has a life-long impact, yet recent data from the National Literacy Trust shows a decline in reading for pleasure among 8- to 18-year-olds, with just 32.7% enjoying it in 2025. Despite growing distractions, there are practical ways adults can spark a love of reading. This guide offers strategies and resources to help inspire young readers.

1 VALUE ALL READING

When we think about reading, it's very easy to picture a young person reading a fictional novel; however, reading is so much more than this. To help them understand, why not show them how to create a 24-hour reading diary? Jot down all reading and then discuss this with them. By doing this, you can demonstrate the many ways we turn to reading.

2 WIDEN THE SELECTION

Once we know reading can be varied, we need to think about the selection of reading material they can access. Visit a shop selling magazines, the library and a bookshop, and consider the range of material that is available within them. Then consider how you might broaden their reading choices, so all young people have access to a wide and varied selection.

3 GIFT A BOOK

One simple way to encourage reading is to make books feel special. Gifting a book adds value and shows it's something to be treasured. Whether it's as a reward or for a celebration like a birthday, let the young person choose a title or pick one you know they will enjoy. You could also include a personal note inside.

4 CONNECT WITH AUTHORS

Meeting authors can certainly spark an interest in their reading material. This might be through a live event in a school/bookshop or by using the wealth of online material that is now available. Encourage young people to look at ways to connect with authors using free resources such as Authorly and Just Imagine's Children's Authors Live.

5 BUILD YOUR KNOWLEDGE

Access training about reading for pleasure to widen your understanding of this topic and, more importantly, how to develop it. Explore a wide range of free resources that can be found online. The more you know, the better placed you are to inspire a love of reading in others.

6 TALK BOOKS

There are times when we need silence to read and focus on our book; however, we know that reading is a social experience, so we must also factor in discussion time. Reading the same book gives two people a connection and the opportunity to voice their thoughts and questions about it. Why not buy two copies of a book and read it together? Start the connection.

7 RECOMMENDATIONS

As well as talking about the content of books, we can share what we are reading or have read recently. This can often act as a trigger for someone else to explore it. How often have you watched a film or series because someone else has recommended it? It's the same with books. If you know the young person well, you can tailor your recommendations and share why you think they'll enjoy it.

8 GO DIGITAL

With the rise in online digital material, we can easily focus on the negatives; however, it also brings a wealth of opportunities. Resources can aid and enhance the reading experience for young people. They can read along with audiobooks, translate, and track their reading goals with resources like PolyIno and apps like Goodreads for older children. Augmented reality books also bring books to life and offer a great way for engagement.

9 RECONNECT

There can come a time when a love of reading seems to disappear. It does not mean it's gone forever; it generally means they have lost the connection. How do we get it back? Find the next piece of reading material that sparks their current interests. The National Year of Reading focus of 'Go All In' captures this well as it is their key theme. As children grow and change, so do their interests. A visit to the local library is a great way to support the reconnection.

10 LEAD BY EXAMPLE

Let them see you reading. If you make time to read, you send a strong message to children: reading matters. Share why you enjoy it. Is it to relax, escape the world, learn something new or to be entertained? When children see reading as a normal and valued part of everyday life, they are more likely to adopt it themselves.

Meet Our Expert

Carl Pattison is a literacy advisor and early reading expert at The National College. Through his programmes, he supports schools to enhance reading and writing. In addition to his independent work, he also works for a large academy trust in the East Midlands as the strategic lead for their English Hub and Literacy Excellence Centre.

PE Weekly Sports Bulletin continued...

Year 7 Rugby Against KES

Today our year 7's had their first ever rugby game vs neighbours KES and it ended 3 tries all. This was an extremely competitive game between 2 new sides, and one which was very valuable in terms of learning and development.

Try scorers:

Liam Howlett

Ryan Parsons

Brayden Kendle

Player of the match: **Brayden Kendle** - a superb rugby player in the making. The whole team were brilliant!

Monday 3-4pm Girls only football training with King's Lynn Town

For the next 5 weeks we have King's Lynn Town football club coming in to deliver girls football training sessions. Please come along if you are a beginner or already going to clubs afterschool, it would be great to see as many girls as possible. On Monday we had 12 girls out there which was great to see!!

Year 10/11 and Year 8 Basketball Against Marshland

Tuesday we hosted Marshland @ KLA for a basketball fixture. All students represented the school well & for some it was their first time playing on a full court. Year 11 had their last game as a team before their exams.

PE Weekly Sports Bulletin continued...

KLA vs Marshland

Last night we welcomed teams from Marshland High School for a fantastic evening of sport. KLA was proudly represented by our year 8/9 girls' football team, year 8/9 girls' netball team, and a year 9 boys' football team. Every student who represented KLA showed great effort, determination and excellent sportsmanship throughout the evening.

Both of our football teams were unfortunately a few players short, but that did not stop them from giving their all and competing brilliantly.

The year 8/9 girls' netball team played a very close and exciting match, coming away with a 7–6 victory after a great team performance. Well done to everyone involved for such a competitive game.

The year 8/9 girls' football team also had a brilliant result, winning 3–1 with some fantastic play and teamwork on display.

Our year 9 boys' football team were two players down and were helped out by some year 8 students who stepped up to support the team. Despite their hard work and determination, the boys were unfortunately defeated. However, a special mention must go to **Mahdi**, who made some outstanding saves in goal and kept the team in the game.

A huge well done to all students who represented KLA and demonstrated such positive attitudes and sportsmanship. We are very proud of you all.

Year 7 Round Up – Compiled by Mrs Mann:

Well I can honestly say the sunshine has lifted everyone this week. Spring is on it's way for sure! This week's newsletter is jam packed with celebrations and positivity.

Year 7's have been working hard again this week; seems to be a running theme now and I continue to be proud of them all. The effort they are putting into each lesson is just brilliant to see. Overall, the students have received a fantastic 3867 achievement points from Thursday 26th February to Wednesday 4th March. Well done to you all.

Shout out to the 16 boys that represented KLA on Monday, playing rugby against KESA. Well done to **Braidon Welch, Leo Harrington, Charlie Goodbourn, Jack Sargeant, Ryan Parsons, Frankie Bramwell, Joshua Norris, Clae Tansley, Liam Howlett, Joshua Mason, Ted Barnard, Braydon Kendle, Corey Auker, Logan Barnes, Marlee Rhodes** and **William Day**.

My student of the week is **Braydon Kendle** for his amazing sporting skills and efforts during the rugby match on Monday. KLA year 7 boys hosted and played against KESA. Mr Herring was incredibly proud of the whole team, saying how well they played as individuals and as a team. He was impressed by Braydon and awarded him Player of the Match. Congratulations and well done Braydon, this is a fantastic achievement, and we are very proud of you.

Our highest achiever this week was **Harmony Keegan**. Not the first time and not the last that Harmony will top the leader board. Harmony is a hard-working student who gives 100% to every lesson, every day. Harmony has been consistent with completing homework, standards of work in class and she always works to the best of her ability. Her work is neat and well presented in all subjects. Keep it up Harmony, we are very proud of you and you should be proud of yourself.

On Thursday evening, we hosted an awards ceremony to celebrate the successes of many of our students across years 7, 8, 9 and 10. Many thanks to so many of you for attending, it was a fantastic evening. So many different awards were handed out and it was a truly wonderful evening.

With the weather changing, I would just like to remind you all again of our academy's expectations regarding uniform. Black trousers or KLA skirts, no jeans or leggings. Black tailored shorts are acceptable in warmer weather, white shirts, KLA tie and blazer. If you do have any issues with your child's uniform or if you need any help purchasing items, please do not hesitate to contact me as we have some uniform in the swap shop which may help. Fluffy coloured socks are not permitted as uniform and acrylic nails are also not allowed for school. They are dangerous when taking part in practical subjects. Please can we ask that they are not worn for school. In addition to this, it is vital that all students bring their full PE kits with them on the days they have it. Students should not still need to be borrowing kit, nor should they need to borrow equipment. A pencil case is a daily essential in school however I am still having to provide. Please can you ensure you child is fully equipped each day and ready to learn.

Attendance in year 7 was 96.5% this week. If your child has to have time off school, please ensure that you call the absence line on **01553 602874** or email **studentabsence@kla.eastern-mat.co.uk** Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages.

As you know, should you need to contact me for a pastoral issue that you would like to discuss as Head of Year 7, then please email me, **Emma.Mann@kla.eastern-mat.co.uk**. Alternatively, you can call me on **07511 225248**. My work mobile is on between 8am and 4pm Monday to Friday however please remember that my phone will remain in my office and that I can only answer if at my desk.

Important Dates

Friday 20th March – Non-uniform day & prom bake sale

Friday 27th March -Last day of term

Tuesday 14th April – School re-opens

Have a lovely weekend & stay safe.

Mrs Mann.

Year 8 Round Up – Compiled by Mrs Lockey:

Happy Friday! I hope everyone has been enjoying the sunshine.

Huge thanks go to all parents, staff and students that came to the celebration evening on Thursday. What a night! Thank you Mrs Culley-Tea for organising it, it was amazing!

Just a gentle reminder from me about uniform, thank you for supporting us with this; please remember leggings are not permitted. Some girls are creeping in with them but we need them to be wearing trousers or KLA skirts. If there are any issues, please feel free to let me know if we can help in anyway. We always endeavour to support all the children.

We have also had a large number of students forgetting their PE kits; if they could be reminded to check their Arbor for their PE days it would be much appreciated.

Thanks go to Mr Robinson for delivering our assembly this week surrounding the use of Sparx. It has been proven that from just 15 minutes a week in each subject grades, would have significantly improved. Currently only 32% of Year 8 are using the platform we need to make sure we are accessing it & will monitor over the next month. There are rewards on offer, let's make it our challenge year 8.

Attendance this past week has been 94.76%. Well done year 8. Can we please attend each and every day wherever possible. I totally appreciate there are some illnesses that cannot be prevented. If your child has to have time off school, please ensure that you call the absence line on **01553 602874** or email **studentabsence@kla.eastern-mat.co.uk** Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages. Heads of Year call each day to check in with parents and students; at the third day of absence, we will be required to carry out a home visit/or video call. If your child is late without a valid reason time will be made up and they will work in the late room on arrival. Detentions are then set followed by after school detentions without good reason for lateness. Thank you all so much for your support with arriving on time this week.

To support the students and to set the right example, I will not be using my mobile phone when I'm out and about around the school. Please take this into consideration when contacting me, I may not be able to answer your call or text as quickly as I would like. I will endeavour to return your call/text as soon as I can during my working hours. If you have a pastoral issue you would like to discuss with me as Head of Year, then please email me on **Hayley.Lockey@kla.eastern-mat.co.uk**

As a year group we have achieved **3,853** points this past week up to yesterday! Well done year 8, that is an amazing effort!!

Our **highest achiever** this week in the year group was **Lacey Waterson**, a massive well done to her. Keep up the hard work and effort in your lessons.

Student of the week this week goes to **Lacie Demidh**, she has made an amazing start back to school. Well done **Lacie**, keep up the amazing work, you have been fabulous.

Shout out

If your child does any activities outside of school, please email me, I always love to know what the students are doing in their own time. **Hayley.Lockey@kla.eastern-mat.co.uk**

Dates for your diary

Non-uniform day Friday 20th March

Last day of term Friday 27th March

Have a wonderful weekend, take care and stay safe.

Mrs Lockey.

Year 9 Round Up – Compiled by Mrs West:

It has been so lovely to welcome a bit of sun and warmth this week ☺☺. The year group have worked so well this week despite my absence for the end of it. Unfortunately, my son managed to break his arm at school this week so parenting duties took over for a few days. I am extremely thankful to the rest of the pastoral team for supporting all of year 9 in my absence. My apologies if you are waiting for contact from me, I will endeavour to make this a priority as we return next week.

Mrs Leeming Watts issued the first work from college this week in order for students to try and secure a place on the Engineering course at college. Year 10 is creeping up on us! Please continue to ask any questions, should you have any, about the options process etc.

Below is the week league table for Achievement points. Well done to all and the fabulous work that they have created. I was lucky enough to spend some time in the Technology rooms at the beginning of the week. Some of the students have produced the most amazing clocks. It is fantastic to see the children taking pride in what they are creating.

Student	27.2.-.5.03.26
Grigalaitis, Martynas	45
Russell, Ralphie	45
Caplinskyte, Zhoiee	42
Clarke, Oliver	39
Rutkauskaite, Urte	39
Clarke, Harry	34
Murray, Martha	31
Osborne, Thea	31
Oughton, Olivia	29
Rosca, Gabriel	28

★ ★ Student of the week this week goes to Daniel Ayley. Daniel, the level of kindness and support you have shown this week has been remarkable. Thank you. ★ ★

I hope those of you that were invited to the celebration evening had a wonderful time celebrating the achievements of all involved.

Have a fantastic weekend. Take care.

Mrs West.

Year 10 Round Up compiled by Miss Fountain:

Another Friday, a new month and hopefully more sun is to come!

This week:

Our lovely student commissioners have started an Easter foodbank where they are desperately trying to collect as many Easter treats as possible for the local foodbanks by 24th March. They believe everyone deserves a sweet treat at Easter, & so do I. If you are able to purchase a little something extra when you are next shopping, please know it will be gratefully received.

Tie appeal: The next request for help is for ties! If I have loaned out a tie to your young person and you have it at home, please could I ask you return them ASAP as I am down to my last 2!

Enrichment for all 😊:

As a school we pride ourselves in ensuring each student has the chance to feel part of our Academy, with lots of clubs, during lunchtime and afterschool, from sports, such as badminton or trampolining at lunchtime or afterschool training for KLA teams, down to homework clubs at lunchtime and afterschool from Monday to Wednesday 3-4pm. Please keep a check on the bulletin each week to see what is available.

Celebrating our achievements:

This week as a year group we achieved 2466 achievement points! Well done year 10!

The top 3 points achievers this week are, believe it or not the same 3 students but different positions:

Student	Total
Tann, Nancy	42
Mycock, Jacob	41
Horner, Charlie	38

I am super proud of you, a huge well done to you all!!

Everything else:

Uniform:

Please can you check your young person's uniform every day as we are now issuing lunch time detentions for incorrect and/or missing uniform. The following rules are non-negotiable:

- Leggings are NOT permitted.
- The only jumpers we should be seeing are KLA jumpers, no hoodies or sports jumpers please.
- Blazers are to be worn at all times, as are ties.

Attendance:

Attendance this week was awfully low at just over 90%! Please can you send your young person in if it is something they manage throughout the day. This year at KLA is so important for them and attendance is a massive reason for students not gaining the grades they hoped for. Thank you for your support with this.

Can I ask you keep me updated when your young people are too unwell to attend by contacting KLA on either:

Studentabsence@kla.eastern-mat.co.uk or call the absence line 01553 602874

Anything else:

If you have anything you think deserves a shout-out please let me know. I have nothing left to say other than have a fabulous weekend, stay safe and I shall catch up with you all again soon.

Miss Fountain.

Year 11 Round Up compiled by Mrs Laws:

Good afternoon from year 11 here at KLA. The students have breathed a sigh of relief this week now the mocks have finished but have definitely not taken their foot off the pedal and are attending session 5's and lunchtime revision clubs.

I have to say how proud I am of all the year group with the way they carried themselves in the mocks in the exam hall.

Parents evening is on 18th March, so you need to be getting appointments booked via the link that has been sent via ParentMail and also don't forget to bring a couple of pounds if you would like to take part in the raffle and win some prizes.

Yesterday saw another exam for the Hair & Beauty students. Last week I stepped in for one of the girls whose model was unable to make it to her final piece and ended up having my hair, make up and nails done. It was lovely being in the salon watching them all beavering away on their models. The work they all produced was outstanding, unfortunately due to exam regulations I'm not allowed to show pictures on here.

Plans for the prom are coming along nicely. Don't forget to order your leavers hoodies as the books close at the end of the month.

If you need to contact me for a pastoral issue as Head of Year 11, then please email me on jacqueline.laws@kla.eastern-mat.co.uk. Alternatively, you can call me on **07591 388678**. My work mobile is on between 8am & 4pm. I would just like to remind you all that I am not on the school site from 12.30pm on a Thursday as I will be over at the college with my students. On Thursdays, my work phone will be on until 4.30pm. As we are setting a positive example to the students, I do not have my mobile with me around the academy anymore, only in my office so please be mindful of this when you call, and I will return your call asap.

Year 11 attendance was 87% this week, which has dropped considerably and we really need to get this back up again, we can't afford to have any time off between now and the start of the exams. Attendance in year 11 is CRUCIAL. Literally every day matters. It's a proven fact that the better your school attendance, the better GCSE grades you achieve, the better job you get so the more money you earn. I will be constantly reminding you of this throughout the year.

When booking appointments during school time remember to provide us with the medical evidence so we can authorise these absences and it then won't make a difference to your child's attendance percentage.

As a group we have achieved over 1000 reward points this week which is amazing! Our highest achiever was **Sephira Griggs-Williamson** so congratulations to her!

Fingers crossed it looks like a nice weekend so go out, get some fresh air and then you will be able to focus more on your revision.

Have a lovely weekend.

Mrs Laws.

Year 11 interventions...

It would be hugely beneficial for the students to attend as many period 5 interventions as they feel they can. These sessions will be of significant value in the run up to the exams.

As a reminder;

Science have period 5 on Monday.

Maths have period 5's on Tuesday, Wednesday and Thursday.

English have period 5 on Wednesday.

Option subjects period 5 Thursday.

If anyone is unable to make period 5's for maths then Mr Crockett, head of maths, is running intervention sessions in his class at lunchtimes.

Some teachers and subject departments are, and will, offer other opportunities if they can if a student is struggling to attend one of the pre-arranged ones.

Thank you for your continued support as we all work toward helping these fine young people use every opportunity to fulfil their potential and succeed in their GCSE's.

Year 11 Round Up continued...

Year 11 period 5 For Art and Photography

All year 11 photographers and artists are invited to period 5

Monday, Wednesday & Thursday
in N1

And also **Wednesday in CG5**

Year 11 Leavers hoodies now available to order...
