At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](http://nationalcollege.com).

## What Parents & Educators Need to Know about STREAMING SERVICES

Streaming services are platforms that allow users to watch cartoons, documentaries and movies online immediately (often referred to as SVoD: streaming videos on demand). Ofcom reported that children and young adults prefer streaming services to traditional TV. With two-thirds of UK households subscribing to at least one streaming service, parents must understand how to manage screen time, set age restrictions and ensure safe viewing.

### WHAT ARE THE RISKS?

#### COSTLY

Subscription services can be costly. As the main source of entertainment, most households have at least one streaming platform, and each platform has its own monthly subscription fee. Services are charging more for ad-free viewing, and better quality and resolution; however, there is a cheaper option with adverts. Due to price increases, Netflix and Disney+ reported a sharp increase in users subscribing to their ad-supported tier in 2025.

#### ILLEGAL STREAMING

Sharing passwords or using modified Fire Sticks to access streaming content without permission is illegal. Most streaming services have now put measures in place to detect account sharing. When account sharing is identified, platforms will offer an opportunity to pay for an added member or will ask the user to verify who they are.

#### AGE-INAPPROPRIATE CONTENT

Most streaming platforms allow users to set up a profile for each family member, with the option of putting specific restrictions in place. These include adding a profile lock or PIN, controlling autoplay of previews and next episodes, and limiting content based on age ratings. Nonetheless, these restrictions aren't foolproof. Content which is rated as suitable for an age group may still include themes, language, or images which children and families find inappropriate.

#### EXCESSIVE SCREEN TIME

Excessive screen time contributes to sedentary behaviour and can negatively impact physical and mental health. Ofcom found that 4- to 15-year-olds averaged 2.5 hours per day across all video-sharing platforms, not including gaming. The vast range of content available, combined with features such as autoplay, makes it easy for children to watch for extended periods of time.

#### BINGE WATCHING

Features such as autoplay make it easy for viewers – especially young people – to continue watching episodes without a break. This can foster unhealthy and addictive patterns, such as consuming a vast amount of content in one sitting. With binge watching come a lack of social interaction, lack of physical exercise, and often late nights and sleep disruptions which impact their mental and physical wellbeing.

#### HARMFUL STEREOTYPES

Many platforms track viewing habits, time consumed, and preferences, and generate recommendations to encourage your child to keep watching. This results in your child being in a 'loop' whereby they think the 'recommended' shows would be something they would enjoy rather than thinking critically for themselves. This can shape their beliefs, values, and understanding of the world from a young age without even realising it.

## Advice for Parents & Educators

### SET UP INDIVIDUAL PROFILES AND ADD PINS

Almost all streaming services allow users to set up individual profiles where each family member can have age restrictions put in place for the content they can view. Adult profiles can be protected through the use of PIN. Keep this private. Use the options of putting specific restrictions in place such as controlling autoplay of previews and next episodes, and limiting content based on age ratings.

### MONITOR AND TALK OFTEN

Discuss with your child what they are watching, find out which programmes are trending, and watch them yourself. Have a little look at their watch history to check the content of what they're watching. Some platforms have been known to recommend or autoplay older or graphic content after a child's movie has been played. While some TV shows or movies may have a suitable age rating, your child may still find the content scary, or it may explore themes you don't want to explore with your child yet.

### TALK ABOUT ALGORITHMS

Talk to your child about how streaming services track what they watch, and base adverts and recommended shows/movies on previous viewing. Encourage them to critically think about whether the recommendations are suitable and how they want to spend their time. Discuss stereotypes with your child and challenge them to think about what they watch and how this may influence their beliefs.

### SET TIME RESTRICTIONS

Many streaming services offer the opportunity to buy movies, or add additional features to your subscription such as sports channels, as well as play games. This can increase the amount of time young people spend sitting idly in front of the screen. Some platforms (e.g. Apple TV+) allow you to set screen time restrictions. If the streaming service doesn't allow you to set screen time limits, set a family rule and stick to it.

## Monday 3-4pm Girls only football training with King's Lynn Town

For the next 5 weeks we have King's Lynn Town football club coming in to deliver girls football training sessions. Please come along; if you are a beginner or already going to clubs afterschool it would be great to see as many girls as possible. On Monday we had 12 girls out there which was great to see!!

## U14 Girls County Cup against Wymondham College

What an afternoon of football!

They played 11 a-side and really held their own against Wymondham. We were the stronger team and scored within the first 10 minutes, then it went to 1-1, then we scored again to go 2-1 and unfortunately in the second half they scored 2 and went to a 4-1 loss.

The girls played so well as a team, and they really should be proud of themselves. I am delighted with what the students are achieving in the PE dept, the buzz is back, and I want it to stay.

Player of the match – **Ellie Wright** Fantastic defending during the game.

A big thank you to **Blake, Daniel** and **Albie** for being referees & running the line, we couldn't do it without our leaders.

## Year 10 County Cup – Sprowston

This is one of the highest quality high school football games I have watched; 2 teams just going hammer and tong for 80 minutes. Everyone watching compared it to an adult game!

The boys were well up for this to get into the semi-finals, however we came up against an extremely strong Sprowston team which even boasted 2/3 Norwich Academy players.

In the first half, Sprowston played some fantastic football and found themselves 2-0 up at half-time, leaving us with plenty of work to do. They then scored a 3<sup>rd</sup> 5 minutes into the second half. Our boys however did not lay down and let it end this way, instead they battled hard until the end.

We ended up scoring 2 goals to make it 3-2, setting up an incredibly tense last 5 minutes. Unfortunately, we just couldn't find that last breakthrough we needed despite being the much better team in the second half. It makes us so proud seeing them pull together and showing so much character against such a good team.

Onwards and upwards! They are determined to better this run in their final year next year.

Goalscorers:

**Nolan Aris** x1

**Oba Biobaku** x1

## PE Weekly Sports Bulletin continued...

Player of the match:

**Albie Miller** - a very solid performance from our goalkeeper to prevent us from being out of the game by half time.

## Year 7 Round Up – Compiled by Mrs Mann:

Year 7's have been working hard again all this week and the work in lessons has been non-stop! The efforts they are putting into each lesson is just brilliant to see. The year group has received a total of 3201 points from Thursday 5<sup>th</sup> March to Wednesday 11<sup>th</sup> March. Once again, that's a huge achievement.

My students of the week are **Summer Hodgkinson**, **Rosie Oliver** and **Annabel Twaite-Smith**. These 3 girls stepped up and played alongside year 8 and 9 girls in a County Cup football game, here at KLA on Tuesday afternoon and they were fantastic! They held their own beautifully and played like absolute troopers! I'm proud of you girls, well done.

Our highest achiever this week was **Katy Rollings**. Katy is a fantastic student who gives 100% to every lesson. She is hard-working, kind and respectful in school and an absolute pleasure to have. Keep up the good work Katy, you're a star.

On Thursday 26<sup>th</sup> March we have our Year 7 ONLINE PARENTS EVENING. Information will follow on booking appointments but please remember, this parents evening is NOT at KLA.

With the ever weather changing, I would just like to remind you all again of our academy's expectations regarding uniform. Black trousers or KLA skirts, no jeans or leggings, black tailored shorts are acceptable in warmer weather, white shirts, KLA tie and blazer. If you do have any issues with your child's uniform or if you need any help purchasing items, please do not hesitate to contact me as we have some uniform in the swap shop which may help. Fluffy coloured socks are not permitted as uniform and acrylic nails are also not allowed for school. They are dangerous when taking part in practical subjects. Please can we ask that they are not worn for school. In addition to this, it is vital that all students bring their full PE kits with them on the days they have it. Students should not still need to be borrowing kit, nor should they need to borrow equipment. A pencil case is a daily essential in school however I am still having to provide these. Please can you ensure your child is fully equipped each day and ready to learn.

Attendance in year 7 was 97% this week. If your child has to have time off school, please ensure that you call the absence line on **01553 602874** or email [studentabsence@kla.eastern-mat.co.uk](mailto:studentabsence@kla.eastern-mat.co.uk). Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages.

As you know, should you need to contact me for a pastoral issue that you would like to discuss as Head of Year 7, then please email me, [Emma.Mann@kla.eastern-mat.co.uk](mailto:Emma.Mann@kla.eastern-mat.co.uk). Alternatively, you can call me on **07511 225248**. My work mobile is on between 8am and 4pm Monday to Friday however please remember that my phone will remain in my office and that I can only answer if at my desk.

### Important Dates

Friday 20<sup>th</sup> March – Non-uniform day with a minimum £1 charity donation please & a bake sale

Thursday 26<sup>th</sup> March – ONLINE parents evening

Friday 27<sup>th</sup> March – Break up for Easter

Monday 13<sup>th</sup> April – School re-opens to staff

Tuesday 14<sup>th</sup> April – Students are welcomed back

Have the best weekend and stay safe.

Mrs Mann.

## Year 8 Round Up – Compiled by Mrs Lockey:

Just a gentle reminder from me about uniform, you all have been fantastic supporting us with this. Please remember leggings are not permitted. Some girls are creeping in with them; we need them to be trousers or KLA skirts. If there are any issues, please feel free to let me know if we can help in anyway. We always endeavour to support all the children.

We have also had a large number of students forgetting their PE kits; if they could be reminded to check their Arbor for their PE days it would be much appreciated.

Attendance this past week has been 91.4%. Well done year 8. Can we please attend each and every day wherever possible. I totally appreciate there are some illnesses that cannot be prevented. If your child has to have time off school, please ensure that you call the absence line on **01553 602874** or email **studentabsence@kla.eastern-mat.co.uk** Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages. Heads of Year call each day to check in with parents and students; at the third day of absence, we will be required to carry out a home visit/or video call. If your child is late without a valid reason time will be made up and they will work in the late room on arrival. Detentions are then set followed by after school detentions without good reason for lateness. Thank you all so much for your support with arriving on time this week.

To support the students and to set the right example, I will not be using my mobile phone when I'm out and about around the school. Please take this into consideration when contacting me, I may not be able to answer your call or text as quickly as I would like. I will endeavour to return your call/text as soon as I can during my working hours. If you have a pastoral issue you would like to discuss with me as Head of Year, then please email me on **Hayley.Lockey@kla.eastern-mat.co.uk**

As a year group we have achieved **2,663** points this past week up to yesterday! Well done year 8 that is fantastic, well done.

Our **highest achiever** this week in the year group was **Lacey Waterson**, a massive well done to her. Keep up the hard work and effort in your lessons.

**Student of the week** this week goes to **Grace Oakes**, she has made an amazing start back to school. Well done, keep up the amazing work, you have been fabulous.

### Shout out

If your child does any activities outside of school, please email me, I always love to know what the students are doing in their own time. **Hayley.Lockey@kla.eastern-mat.co.uk**

### Dates for Diary

Non-uniform day Friday 20<sup>th</sup> March

Last day term Friday 27<sup>th</sup> March

Have a wonderful weekend, take care and stay safe.

Mrs Lockey.

## Year 9 Round Up – Compiled by Mrs West:

A wonderful week has come to an end. I was lucky enough to be able to watch the girls cup fixture football match after school this week. The girls showed true teamwork and worked so well together. Unfortunately, we did not get the win that we were hoping for but it is all progress and great experience for the team.

I need to thank you all for your support with getting students to school in correct uniform. As a year group we are looking fantastic! It is so lovely to see students coming into school looking proud of their appearance and it really does help set them up for a positive day at the Academy.

Engineering work for college has been successfully handed in by many. I know the college course leader will really struggle to select who will be doing the course as I could see a great amount of effort had been put in by all that submitted.

Well done to all the students below for the wonderful amount of achievement points this week.

Student	Wed - Wed
Partridge, Joey	56
Lambert, William	47
Russell, Ralphie	43
Osborne, Thea	41
Grigalaitis, Martynas	40
Challis, Charley	37
Felgate, Oliver	37
Oughton, Olivia	35
Clarke, Oliver	34
Rutkauskaite, Urte	34

★ ★ Student of the week is Maisy Wright. Maisy you have impressed all of us with your commitment to your studies. Thank you for coming in each day and always trying your best. ★ ★

Have a wonderful weekend.

Mrs West.

# Year 10 Round Up compiled by Miss Fountain:

Happy Friday all!

## This week:

Assembly this week was hosted by Mr Docking, our wonderful Head of Science. He promoted "STEAM", Science, Technology, Engineering, Art, Maths. Mr Docking explained the importance of STEAM subjects in education and for the future, whilst smashing typical stereotyping of Scientists and celebrating the diverse people and careers in science & engineering. It was such an informative and enjoyable assembly. Thank you Mr Docking!

**TIE APPEAL** - If I have loaned out a tie to your young person and you have it at home, please could I ask you return them ASAP. I have had some returned, but I am still down to my last 6.

## What's on offer 😊 at KLA:

Just a reminder of what's on offer during lunchtime and afterschool, from sports, such as badminton or trampolining at lunchtime or afterschool training for KLA teams, down to homework clubs at lunchtime and afterschool from Monday to Wednesday 3-4pm. Please keep a check on the bulletin each week to see what is available.

## Celebrating our achievements:

This week as a year group we achieved 2846 achievement points! More than last week!! Well done year 10! The top 3 points achievers this week are, believe it or not the same 3 student but different positions:

Student	Total
Rushbrook, Amelia	56
Rutter, Freya	50
Mycock, Jacob	44

**I am super proud of you, a huge well done to you all!!**

## Everything else: Uniform:

Please can you check your young person's uniform every day as we are now issuing lunch time detentions for incorrect and/or missing uniform. The following rules are non-negotiable:

- Leggings are NOT permitted.
- The only jumpers we should be seeing are KLA jumpers, no hoodies or sports jumpers please.
- Blazers are to be worn at all times, as are ties.

## Attendance:

Attendance this week was awfully low at just over 90% again! **Please** can you send your young person in if it is something they manage throughout the day. This year at KLA is so important for them and attendance is a massive reason for students not gaining the grades they hoped for. Thank you for your support with this. Can I ask you keep me updated when your young people are too unwell to attend by contacting KLA on either: [Studentabsence@kla.eastern-mat.co.uk](mailto:Studentabsence@kla.eastern-mat.co.uk) or call the absence line 01553 602874

## Anything else:

If you have anything you think deserves a shout-out please let me know and I will pop it into the bulletin next week. I have nothing left to say other than have a fabulous weekend, stay safe and I shall catch up with you all again soon.

Miss Fountain.

## Year 11 Round Up compiled by Mrs Laws:

Another productive week here at KLA.

Next week sees the year 11's final parents evening on Wednesday 18th March, please make sure you have booked your appointments through the link sent to you or give me a call and I can help you book them. Don't forget I will be holding a raffle on the night to raise funds for the prom this year so please bring a couple of pounds for tickets.

Next Friday will be non-uniform in aid of Comic Relief with a donation of £1 and we will be holding another bake sale during break 2 and lunchtime so make sure you bring in extra money to buy some gorgeous cakes.

The Rotary Club have kindly donated this huge Easter egg standing over 30cm high, made completely of thick, delicious chocolate. Tickets go on sale on Monday to win the egg, they will be £1 each with money going towards the year 11 prom and will be drawn on Friday 27<sup>th</sup> March, ready for the lucky winner to devour over the Easter holidays.

If you need to contact me for a pastoral issue as Head of Year 11, then please email me on [jacqueline.laws@kla.eastern-mat.co.uk](mailto:jacqueline.laws@kla.eastern-mat.co.uk). Alternatively, you can call me on **07591 388678**. My work mobile is on between 8am & 4pm. I would just like to remind you all that I am not on the school site from 12.30pm on a Thursday as I will be over at the college with my students. On Thursdays, my work phone will be on until 4.30pm. As we are setting a positive example to the students, I do not have my mobile with me around the academy anymore, only in my office so please be mindful of this when you call, and I will return your call asap.

Year 11 attendance was 89% this week. Attendance in year 11 is CRUCIAL. Literally everyday matters. It's a proven fact that the better your school attendance, the better GCSE grades you achieve, the better job you get so the more money you earn. I will be constantly reminding you of this throughout the year.

Well done to those of you who were here all every day, and to those of you who still have 100% attendance this academic year, that is amazing! If your child has to have time off school, please ensure that you call the absence line on **01553 602874** or email [studentabsence@kla.eastern-mat.co.uk](mailto:studentabsence@kla.eastern-mat.co.uk)

Please make sure when booking appointments during school time you remember to provide us with the medical evidence so we can authorise these absences and it then won't make a difference to your child's attendance percentage.

As a group we have achieved over 1200 reward points this week which is amazing! Our highest achiever was Lillie King, congratulations to her!

Have a lovely weekend and see you all Monday.

Mrs Laws.

## Year 11 interventions...

It would be hugely beneficial for the students to attend as many period 5 interventions as they feel they can. These sessions will be of significant value in the run up to the exams.

As a reminder;

Science have period 5 on Monday.

Maths have period 5's on Tuesday, Wednesday and Thursday.

English have period 5 on Wednesday.

Option subjects' period 5 Thursday.

If anyone is unable to make period 5's for maths then Mr Crockett, head of maths, is running intervention sessions in his class at lunchtimes.

Some teachers and subject departments are, and will, offer other opportunities if they can if a student is struggling to attend one of the pre-arranged ones.

Thank you for your continued support as we all work toward helping these fine young people use every opportunity to fulfil their potential and succeed in their GCSE's.
