## What Parents & Educators Need to Know about APP & PLAY STORES

### WHAT ARE THE RISKS?

Since the introduction of Apple's App Store and Google's Play Store, an estimated two million apps have been made available on each. Ofcom's 2025 media use and attitudes report states that more than half of children aged between 3 and 7 use apps or sites to communicate with each other, and, by the ages of 10 to 12, 45% of children are playing games on their mobile phones. This guide will help you ensure that children use the app stores and their content safely.

### MALICIOUS APPS WITH MALWARE

Although Google and Apple must approve the apps on their official stores, inappropriate content sometimes slips through the net. For example, in 2025, the security company Kaspersky found that multiple iOS and Android apps contained screen-reading software, primed to look for passwords and stealing crypto-wallet recovery phrases captured in screenshots.

### UNOFFICIAL COPYCAT APPS

Both official app stores contain copycat apps – often games – designed to look like popular rivals, mimicking their branding, layout and logos. While these will usually just offer a poor experience packed with ads as a quick money-making exercise, they're also more likely to be vessels for malware than the products they're counterfeiting.

### INAPPROPRIATE CONTENT

As the App Store and Play Store are for all ages, there's a lot of content available that's inappropriate for children. Examples include apps that have references to alcohol, drugs, sex, violence or gambling. In general, these are sensibly age-rated, but social media sites such as YouTube and TikTok, which both have an App Store age rating of 12+, can be gateways to adult material.

### PREDATORY IN-APP PURCHASES

App-making is a business, and most creators have found that 'freemium' software is the way to make money. That means the app will be free initially but will either require the user to watch ads or rely on them making in-app purchases. Some 'free' apps can be predatory, and there are plenty of examples reported where parents have racked up huge bills on behalf of their children's app activity.

### ADDICTIVE BY DESIGN

Phone addiction is fast becoming recognised as a real concern, and apps are a big part of this. Freemium apps have a real incentive to keep children checking in every day in order to generate more ad views or secure extra in-app purchases. This can interfere with schoolwork and other offline hobbies.

### SIDELOADED BANNED APPS

'Sideloaded' – the more complicated practice of installing applications on a device from sources other than the official app stores – bypasses Google's and Apple's security procedures; however, it is possible for tech-savvy users. This opens up huge risks – not just apps that would be forbidden by Apple and Google, but pirate ones packed with malware too.

## Advice for Parents & Educators

### ACTIVATE PARENTAL CONTROLS FOR APPS

Both Google and Apple have apps that can give adults greater control over children's phone activity. 'Screen Time' (iPhone) and 'Family Link' (Android) have a range of features, such as letting you set age-related restrictions on the app stores, require permission to download an app, set daily time limits on specific apps, and control real-world spending.

### DO YOUR RESEARCH

If children ask permission to download an app, do your due diligence and research it. Read the app summary and search the internet for reviews and discussions to establish its legitimacy, safety and appropriateness – if it doesn't seem to be appropriate, look for safer alternatives instead.

### LOOK BEYOND THE REVIEWS

App store reviews are helpful, but they are easily gamed, and some unscrupulous developers will pay for quick reviews to give their work perceived legitimacy. Take more than a cursory glance at listings by digging out the one- and two-star reviews and looking closely at the developer – for example, if they've published a lot of unrelated apps, that's a red flag.

### TALK TO YOUR CHILD

Talk to children and make sure they're aware that apps can be risky. As part of a wider talk about internet literacy, ensure they don't download apps outside of the official channels, nor grant apps permission to access their camera, microphone, or photos without a good reason. Make sure they understand that in-game currency costs real-world money.

## Did you know?

Battles over screen time and devices have become a depressing part of family life. Recent research has revealed that it's not so much the length, but the nature of the screen time that matters. What is important is that whatever young people are watching, playing and reading is high-quality, age-appropriate and safe.

The University of Oxford examined 120,000 UK 15-year-olds in 2017 and found that among those teenagers who were the lightest tech-users, it was found that increasing the time spent using technology was linked to improved wellbeing - possibly because it was important for keeping up friendships. In contrast, among the heaviest users of technology, any increase in time was linked to lower levels of wellbeing.

Further research has shown that more than two hours of smartphone use on a weekday, and more than four hours on a weekend day, was linked to lower wellbeing. Several other studies suggest that higher levels of screen use in children and adolescents is associated with reduced physical activity, increased risk of depression, and lower wellbeing.

## What can you do?

The British Psychological Society recommends that parents and carers use technology alongside children and engage them in discussions about media use. Help your child get into a screen-free bedtime routine. Screen time in the evening is especially bad for sleep patterns.

Set limits like no screens during meal times or no screens after a certain time. Suggest having one day a week with no screen time like Screen-Free Sundays. If they have a smartphone, encourage them to turn off as many notifications as possible and to turn on flight mode when they're with friends and family.

Encourage your child to do new physical activities

instead of screen-based inactivity. This could be new hobbies, going for a walk, playing sport, being creative or joining a youth group. Role model good behaviour by being mindful of your own screen time.

A vibrant, cartoon-style poster for a 'Summer Sports Evening' event. The background is a bright blue sky with white clouds and a large, glowing yellow sun. At the top left is a silver whistle, and at the top right is a pair of blue and green sneakers. The main title 'SUMMER' is in large, bold, yellow letters with a sunburst effect behind it. Below it, 'SPORTS EVENING' is written in white on a brown wooden plank with two yellow stars. A green banner below the plank says 'For Year 8 & Year 9'. A calendar icon shows '21st' and a clock icon shows 'After School'. The text 'Tuesday 21st April' is in white on a blue banner. A white cloud contains the text 'What's Happening?' with blue motion lines. Below the cloud are three activities: 'Rounders Matches' with a bat and ball, 'Epic Water Fight!' with a water gun, and 'Ice Poles to Cool Down!' with colorful sticks. A yellow notepad lists items to bring: 'PE Kit', 'Water Bottle', and 'Towel (You will get wet!)'. A blue water bottle is shown next to the list. At the bottom, a red banner says 'COME ALONG FOR FUN, GAMES & SUMMER VIBES!'. The background also features silhouettes of children playing sports and colorful Easter eggs in a grassy field.

## Year 7 Round Up – Compiled by Mrs Mann:

Welcome back to you all indeed. I can't believe we are already in the last term of year 7. It has absolutely flown by. I am incredibly proud to say that my year 7's have returned with the same hard-working attitude they left with! They certainly are refreshed and recharged.

Looking at the achievement points board, so many points have been awarded which is amazing. The highest achiever across Tuesday and Wednesday was **Finlay Low**. Congratulations to Finlay, what a fab start back.

Another reminder of our academy's expectations regarding uniform. Black tailored trousers, no jeans, joggers or leggings, KLA skirts only with white shirts, tie and blazer. If you do have any issues with your child's uniform or if you need any help purchasing items, please do not hesitate to contact me as we have some uniform in the swap shop which may help. Fluffy coloured socks are not permitted as uniform and acrylic nails are not allowed for school. They are dangerous when taking part in practical subjects. Please can we ask that they are not worn for school. Save the nail appointments for the summer holidays.

Attendance in year 7 was 98% this week. If your child has to have time off school, please ensure that you call the absence line on 01553 602874 or call the main reception and select option 1 to explain why; if we send you a text message and you are unable to respond, please send a note in with your child when they return to school, explaining why they have been away. Please can I ask that if you do text my work phone or email me directly with absences, please contact the attendance officer too as I cannot guarantee that I will always see the messages.

My student of the week is **Theo Pezzillo**. Theo is a firecracker. He works hard and never fails to make me smile. He is active at school but also has a sporting passion outside of KLA. Theo is a proud member of The King's Lynn Roller Hockey Club and plays in the under 13's team in the Eastern Counties Rink Hockey Association league. Theo's team have recently played their final tournament of the season in Burwell, Cambridge, which they finished 3rd in the league helped by Theo scoring against Soham Light Blues Team. Third in one league wasn't enough for Theo's team so they went on to play a cup game for Eastern Counties League in Soham. His team played against Letchworth and they fought hard to the very end of the game and secured a 3-2 win! Teamwork, determination and many wins sees them through to the National Cup Playoffs in Herne Bay, Kent this Sunday, 19th of April. We wish you and your team all the luck in the world. Fingers crossed for a win!

Thursday was most definitely my favourite day of this week. We held the first of the year 7 sports events afternoons, kicking off with rounders out on the field. It was a brilliant afternoon and enjoyed by all that attended. Thursday was also a big day as I told them all the exciting news of two end of year school trips that I been super busy organising. It goes without saying that Mrs Culley-Tea and I are a tad excited for both of these trips!!!!!! Information has been sent out to you all via ParentMail and also letters given to the students on Thursday too. Any questions, please don't hesitate to ask me.

## Year 7 Round Up – Compiled by Mrs Mann:

As you know, should you need to contact me for a pastoral issue that you would like to discuss as Head of Year 7, then please email me, [emma.mann@kla.eastern-mat.co.uk](mailto:emma.mann@kla.eastern-mat.co.uk). Alternatively, you can call me on 07511 225248. My work mobile is on between 8am and 4pm Monday to Friday however please remember that my phone will remain in my office and that I can only answer if at my desk.

### Dates to remember

Wednesday 22<sup>nd</sup> April – Forms need to be returned for trips

Friday 1<sup>st</sup> May – Non-uniform day

Monday 4<sup>th</sup> May – Bank Holiday Monday and school is closed

Friday 22<sup>nd</sup> May – Break up for half term

Have a wonderful weekend, stay safe.

Mrs Mann.

# Year 8 Round Up – Compiled by Mrs Lockey:

Happy Friday and welcome back!

Many thanks to all of you that attended the online parents evening on Wednesday - apologies for the short notice for the changes.

Just a gentle reminder from me about uniform; please remember leggings are not permitted. Parents this week have been fabulous supporting with this. Some girls are creeping in with them; we need them to be trousers or KLA skirts. If there are any issues, please feel free to let me know if we can help in anyway. We always endeavour to support all the children.

We have also had a large number of students forgetting their PE kits - if they could be reminded to check their Arbor for their PE days it would be much appreciated.

Attendance this past week has been **91.4%**, slightly lower than previously. Can we please attend each and every day wherever possible. I totally appreciate there are some illnesses that cannot be prevented. If your child has to have some time off school, please ensure that you call the absence line on **01553 779635** or call the main reception and select option 1 to explain why. If we send you a text message and you are unable to respond, please send a note in with your child explaining why they have been away. Alternatively, there is an absence email you are able to contact us on **[studentabsence@kla.eastern-mat.co.uk](mailto:studentabsence@kla.eastern-mat.co.uk)**

As a year group we have achieved **2,011** points this past week up to yesterday! **Well done year 8!**

Our **highest achiever** this week in the year group was once again **Jacob Langley**, a massive well done to him. Keep up the hard work and effort in your lessons.

**Student of the week** this week goes to **Annabelle Howe**, she has made an amazing start back to school. Well done Annabelle, keep up the amazing work, you have been fabulous.

## Shout out section.

Massive well done goes to **Olivia Oxborough** this week for her accomplishments over the Easter holidays.

Olivia was selected to represent England in the U17 Roller Hockey team!

Over half term she was in Portugal busy working hard and training with her squad to improve her skills.

Olivia will complete another training session in Portugal in May and this will determine if she then competes in the U17 European Championships for England. We all so proud of you Olivia well done!

If your child does any activities outside of school, please let me know so happy to share, please email me - I always love to know what the students are doing in their own time. **[Hayley.Lockey@kla.eastern-mat.co.uk](mailto:Hayley.Lockey@kla.eastern-mat.co.uk)**

## Dates for diary

Half term Friday 22<sup>nd</sup> May 2026

If you have a pastoral issue you would like to discuss with me as Head of Year, then please email me on **[Hayley.Lockey@kla.eastern-mat.co.uk](mailto:Hayley.Lockey@kla.eastern-mat.co.uk)**

Have a wonderful weekend, take care and stay safe.

Mrs Lockey.

## Year 9 Round Up – Compiled by Mrs West:

Welcome back to the summer term. The students have all come back looking ready to commit to working hard to complete their last term in year 9.

We have a busy term ahead of us and I have the dates for the exams so far as follows:

Thursday 18<sup>th</sup> June 11.15 Maths

Monday 22<sup>nd</sup> June 8.45 Maths

Tuesday 23<sup>rd</sup> June 11.15 Science

Wednesday 24<sup>th</sup> June 11.15 Maths

Tuesday 30<sup>th</sup> June 11.45 English Literature

Wednesday 1<sup>st</sup> July 11.45 History

Thursday 2<sup>nd</sup> July 11.45 Geography

The above exams will take place in the exam hall in exam conditions. This is a great opportunity for the students to once again become familiar with what will be expected of them on sitting their GCSE exams.

College course decisions are being made. Students who have applied for Child Care, Hair and Beauty and Health and Social Care should have brought home paperwork to you that needs to be returned in order for them to take part in the taster day and secure their place on the chosen course. I am also hopeful that the Engineering students will have been informed if they have secured a place by the time you are reading this.

Have a lovely weekend.

Mrs West.

## Year 10 Round Up compiled by Miss Fountain:

Welcome back!

I do hope you all had the most wonderful of breaks together, whatever you did.

So, this week it feels rather strange! I have barely any students in, however, I do know the ones that have been lucky enough to obtain a work experience placement are absolutely loving it! The students I have had in school have been given different opportunities within the school, from helping out in the Art and Drama departments to cleaning up around the school.

I do have to give a huge shout-out to Mrs Leeming-Watts for her hard work with getting these placements organised and helping the work experience run so smoothly. Thank you for giving my lovely year 10's this wonderful opportunity!

If you do have any concerns or questions, please feel free to contact me anytime on:

**Email - [lucy.fountain@kla.eastern-mat.co.uk](mailto:lucy.fountain@kla.eastern-mat.co.uk)**

**Telephone - 01553 774671.**

*My work mobile is currently rather poorly (dropped and not working!) so I will not be able to reply to any messages for the time being.*

So, other than that I have nothing to left to say apart from have a wonderful weekend and I hope your young people enjoy their rest after a full working week!

Take care,

Miss Fountain.

## Year 11 Round Up compiled by Mrs Laws:

Welcome back to the year 11s, it's hard to believe this is their final few weeks here at KLA. It was lovely to see the students come back looking refreshed and eager to start their GCSE's. The countdown has started; we are literally just days away from them beginning now!

There was a brilliant turn out of year 11's at Monday's revision sessions, so thank you to all those students who came along.

Just a polite reminder to parents & students, that they are still expected to be in full school uniform as per our policy: white shirt, blazer, tie, tailored trousers (not leggings/jogging bottoms) and black plain shoes. This is especially important when the exams are on as we can be spot checked at any time by the exam board and this is used as part of our formal identification process. On a side note, if anyone has any uniform they would like to donate once their children have left the academy in June that would be brilliant.

The orders for leavers hoodies have closed as we finished in March, and as far as I am aware we are still on course for delivery from the suppliers on schedule.

There has been lots going on behind the scenes for prom and I have a meeting next week with the Corn Exchange to go through the arrangements for the night so will update you as and when I can.

If you need to contact me for a pastoral issue as Head of Year 11, then please email me on [jacqueline.laws@kla.eastern-mat.co.uk](mailto:jacqueline.laws@kla.eastern-mat.co.uk). Alternatively, you can call me on **07591 388678**. My work mobile is on between 8am & 4pm. I would just like to remind you all that I am not on the school site from 12.30pm on a Thursday as I will be over at the college with my students. On Thursdays, my work phone will be on until 4.30pm. As we are setting a positive example for the students, I do not have my mobile with me around the academy anymore, only in my office so please be mindful of this when you call, and I will return your call asap.

Year 11 attendance was 87% this week, which is way too low considering we are only a couple of weeks away from the GCSEs; we need to work at getting that back up please. Attendance in year 11 is CRUCIAL. Literally every day matters. It's a proven fact that the better your school attendance, the better GCSE grades you achieve, the better job you get so the more money you earn. I will be constantly reminding you of this throughout the year.

As a group we have achieved over 1500 reward points this week which is amazing, as we have only been in for 4 days! Our highest achiever was **Thomas Jackson** so congratulations to him!

Have a great weekend.

See you Monday.

Mrs Laws.
