<b>Educational Setting</b>	KING'S LYNN ACADEMY
<b>Activity / Task</b>	COVID-19 Risk Management Assessment (Educational Settings)
<b>Completed by &amp; Date</b>	Alan Fletcher, Elanor Westbury, Phil Bugg, Rob McLean, 06 January 2021
<b>Review Date</b>	March 2021
<b>Addendum</b>	<p>This assessment is in use with the <i>Norfolk County Compliance Code</i>;</p> <p>This document outlines the risk control measures we have put in place ahead of wider reopening. It covers the measures we believe we need above and beyond the usual control measures in place to ensure safety in more 'normal' times.</p> <p>The example measures we list are based on current government guidance:</p> <p>We have carefully considered what is necessary to make these measures workable in our school having taken the following considerations into account.</p> <ul style="list-style-type: none"> <li>➤ The number of staff and pupils we expect to have in school</li> <li>➤ Any raised risk for the pupils or staff that could be in school (e.g. to BAME staff, having taken cognisance of advice from <a href="#">BAMEed</a>)</li> <li>➤ Any reasonable adjustments we need to make to enable everyone to follow the measures, including pupils with EHC plans who have their own <a href="#">individual risk assessments</a> already</li> <li>➤ Potential temporary modifications of our Positive Behaviour for Learning Policy to incorporate protocols for pupils conduct and compliance during this time of altered expectations and increased risk</li> <li>➤ <b>Potential temporary modifications of our Marking and Assessment Policy</b></li> <li>➤ The size and layout of our school premises</li> <li>➤ The resources in stock (e.g. PPE, soap, cleaning products)</li> </ul>

## RISK ASSESSMENT

In completing this risk assessment prior to wider opening we have taken advice / consultation from the following groups

- Independent legal experts (Stone King) have provided advice to schools in the Eastern MAT as to managing changed duties on health and safety to pupils and staff during the CV19 pandemic
- Trust, governance and union representations (via EMAT HR)
- Staff – both informally and formally – full staff familiarisation and consultation

			- We will follow the relevant Public Health procedures and Norfolk Guidance	AF	2 <sup>nd</sup> Sept	

## RISK ASSESSMENT

Contingency planning for a further outbreak	In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission.	1. E-Learning procedures reviewed and updated ready for this contingency	- In the event of further partial or full closure, KLA's E-Learning provision will be re-implemented. This provides electronic basis for learning in all subjects, with specific software purchased for English, Maths, Science, MFL and Humanities.	PB	2 <sup>nd</sup> Sept	
			- Full review of lockdown remote learning undertaken July 2020, reported to governors and plans made for identified issues – most particularly where pupils struggled to engage.	PB	2 <sup>nd</sup> Sept	
			- High standards for tutor check-in contacts and online teacher feedback were established in lockdown, and these expectations would be reinforced and resumed.	EW	2 <sup>nd</sup> Sept	
			- It is possible that we will have situation where a group of pupils is not attending through self-isolation/track & trace requirements – they will need to access remote learning immediately and some capacity will need to be maintained within staffing to ensure that we can actively monitor engagement and support learning.	EW/PB	2 <sup>nd</sup> Sept	
Maintaining cohort and class separation (bubbles) and where possible, social distancing.	COVID-19 being present and contracted/spread by pupil, staff member, visitor on school premises or any other person	1. Minimise contact between individuals and maintain social distancing wherever possible  2. The <b>overarching principle to apply is reducing the number of contacts between children and staff</b> . This can be achieved through keeping groups separate (in 'bubbles') and through maintaining distance between individuals if possible, whilst maintaining normal class sizes.	- The school has established consistent groups as Year group 'bubbles' within a 'Zone' system allocating year groups to the following faculty areas, including an 'outside area' for each cohort. Each year group will have their own entrance and exit in their own area.	AF	2 <sup>nd</sup> Sept	Y
			- Year 7 – Humanities block / South Quad / South Entrance	ALT	2 <sup>nd</sup> Sept	
			- Year 8 – Science block / Hard court/ Old DT entrance	ALT	2 <sup>nd</sup> Sept	
			- Year 9 – MFL block / North Quad/ North Entrance	ALT	2 <sup>nd</sup> Sept	
			- Year 10 – Maths / Library Lawn/ Side stairwell (Using north stairs)	ALT	2 <sup>nd</sup> Sept	
			- Year 11 – English / Front entrance Lawn / Main entrance (using central stairs)	ALT	2 <sup>nd</sup> Sept	
			- Pupils will be assigned a 'home room' in their zone, and will stay in that room for the majority of their lessons, with teaching staff moving between classes. This will be the case for all lessons but for ADT and PE, where pupils will work in those areas for	AF	7 <sup>th</sup> Sept	
- Senior staff will be <i>high presence</i> to support calm and considered movement at lesson changeovers. Senior staff will own their zones and HoY will base themselves in their cohort zone throughout.

Lunch is staggered 30 minutes for each cohort.</li> <li>- The amount of take-home resources will be restricted and where possible limited to online resources. Exercise books will still be marked, but will remain in school as far as possible.</li> <li>- Every pupil will be provided with their own pencil case containing stationary that they will need.</li> <li>- The sharing of stationery and other equipment will be prevented where possible. ## General staff and pupil advice on limiting the spread of coronavirus in the Educational Setting

Government advice is clear PPE, including facemasks should be taken into account where employees could be put at risk.

The use of such PPE does not replace or reduce the need to follow the government guidance in relation to hygiene practices

Frequently clean and disinfect objects and surfaces that are touched regularly, using your recommended cleaning products.

- Wash your hands with soap and water often – do this for at least 20 seconds.
- Use hand sanitiser gel if soap and water are not available.
- Staff and Pupils should wash their hands as soon as they get to school and when they arrive home, after they blow their nose, cough or sneeze, before they eat or handle food.
- Cover mouth and nose with a tissue or a sleeve (not hands) when you cough or sneeze.
- Put used tissues in the bin immediately and wash your hands afterwards.

Handwashing techniques advice can be found [here](#)
