

RISK ASSESSMENT

Educational Setting	KING'S LYNN ACADEMY
Activity / Task	COVID-19 Risk Management Assessment (Educational Settings)
Completed by & Date	Alan Fletcher, Elanor Westbury, Phil Bugg, Rob McLean, 5 January 2021 24 February 2021 March 2021 April 2021 May 2021 September 2021
Review Date	March 2021 April 2021 May 2021 June 2021 October 2021
Addendum	This assessment is in use with the <i>Norfolk County Compliance Code</i> ;
	<p>This document outlines the risk control measures we have put in place ahead of wider reopening. It covers the measures we believe we need above and beyond the usual control measures in place to ensure safety in more 'normal' times.</p> <p>The example measures we list are based on current government guidance:</p> <p>We have carefully considered what is necessary to make these measures workable in our school having taken the following considerations into account.</p> <ul style="list-style-type: none"> ➤ The number of staff and pupils we expect to have in school ➤ Any raised risk for the pupils or staff that could be in school (e.g. to BAME staff, having taken cognisance of advice from BAMEd) ➤ Any reasonable adjustments we need to make to enable everyone to follow the measures, including pupils with EHC plans who have their own individual risk assessments already <ul style="list-style-type: none"> ➤ Potential temporary modifications of our Positive Behaviour for Learning Policy to incorporate protocols for pupils conduct and compliance during this time of altered expectations and increased risk ➤ Potential temporary modifications of our Marking and Assessment Policy ➤ The size and layout of our school premises ➤ The resources in stock (e.g. PPE, soap, cleaning products)

RISK ASSESSMENT

		<p>6. minimise contact between individuals and maintain social distancing wherever possible</p> <p>7. where necessary, wear appropriate personal protective equipment (PPE)</p>	<ul style="list-style-type: none"> - PPE is available for 1st Aid use. Extremely and Clinically vulnerable staff will have access to visors should they require it; as well as suitable precautions discussed in returning to work from 4th August. 8 March E.g. Remote-working / careful timetabling. - Ensure mechanical ventilation is serviced and optimised Ensure appropriate ventilation of populated areas to minimise the risk of infection – classrooms to have high level windows open to provide trickle ventilation and all windows will be opened during breaks to purge the air. - Facilities for waste of tissues or PPE, or used face coverings to be isolated and collected and disposed of appropriately at regular intervals. In the case of infected area in the isolation area, waste and area to be sealed-off for 72 hours OR until appropriate cleaning has taken place — Limit access to site; no parents, volunteers or others. Exceptions for statutory services / critical contractors / some key meetings. Where these proceed, strict isolation and distancing must be enforced — Where possible, meetings will be conducted by telephone or using video conferencing. This includes meetings with staff, parents/carers, visitors and governors. Where this isn't possible, meetings will be conducted in a ventilated room large enough to allow for social distancing. Socially spaced seats will be set out in advance of the meetings and the room ventilated throughout — Staff and students identified as clinically extremely vulnerable to effects of COVID19, including pregnant staff or pupils, to be redeployed/work from home not to attend KLA under any circumstances until all clear given. Staff from BAME backgrounds or who are otherwise at greater risk to the effects of COVID19 to be additionally risk assessed and further mitigations will be put in place or will be redeployed as agreed will work from home to avoid this increased risk. 	<p>RM</p> <p>STAFF</p> <p>RM</p> <p>RM</p> <p>AF</p>	<p>2nd Sept</p> <p>2nd Sept</p> <p>2nd Sept</p> <p>2nd Sept</p> <p>2nd Sept</p>	<p>Y</p> <p></p> <p></p> <p></p> <p>Y</p>

RISK ASSESSMENT

Response to any infection	COVID-19 being present and contracted/spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> engage with the NHS Test and Trace process manage confirmed cases of coronavirus (COVID-19) amongst the school community contain any outbreak by following local health protection team advice 	<ul style="list-style-type: none"> Ensure members of staff know what is required of them in response to any infection and how to manage confirmed cases Clear messaging to parents as to the need to engage with T&T if necessary We will follow the relevant Public Health procedures and Norfolk Guidance 	AF AF AF	2 nd Sept 2 nd Sept 2 nd Sept	Y
---	---	--	--	----------------	--	---

RISK ASSESSMENT

Contingency planning for a further outbreak	In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission.	1. E-Learning procedures reviewed and updated ready for this contingency	- In the event of further partial or full closure, KLA's E-Learning provision will be re-implemented. This provides electronic basis for learning in all subjects, with specific software purchased for English, Maths, Science, MFL and Humanities.	PB	2 nd Sept	Y
			Full review of lockdown remote learning undertaken July 2020, reported to governors and plans made for identified issues – most particularly where pupils struggled to engage.	PB	2 nd Sept	
			High standards for tutor check in contacts and online teacher feedback were established in lockdown, and these expectations would be reinforced and resumed.	EW	2 nd Sept	
			- It is possible that we will have situation where a group of pupils is not attending through self-isolation/track & trace requirements – they will need to access remote learning immediately and some capacity will need to be maintained within staffing to ensure that we can actively monitor engagement and support learning.	EW/PB	2 nd Sept	
Maintaining cohort and class separation (bubbles) and where possible, social distancing.	COVID-19 being present and contracted/spread by pupil, staff member, visitor on school premises or any other person	1. Minimise contact between individuals and maintain social distancing wherever possible 2. The overarching principle to apply is reducing the number of contacts between children and staff. This can be achieved through keeping groups separate (in 'bubbles') and through maintaining distance between individuals if possible, whilst maintaining normal class sizes.	The school has established consistent groups as Year group 'bubbles' using a movement plan to minimise year groups crossing within a 'Zone' system allocating year groups to the following faculty areas, including an 'outside area' for each faculty cohort. Each year group will have their own entrance and exit in their own area.	AF	2 nd Sept	Y
			<ul style="list-style-type: none"> Year 7 – Humanities block / South Quad / South Entrance Year 8 – Science block / Hard court/ Old DT entrance Year 9 – MFL block / North Quad/ North Entrance Year 10 – Maths / Library Lawn/ Side stairwell (Using north stairs) Year 11 – English / Front entrance Lawn / Main entrance (using central stairs) English – Behind Library/Science block Maths – Central Hub Science – Hard court area by Old Boys Gym Humanities – South Field by Humanities classrooms ADT – North Quad PE – Field 	ALT	2 nd Sept	
			- On arrival, Pupils will either go straight to their first classroom or to the	AF	7 th Sept	

RISK ASSESSMENT

			<p>outside zone assigned to that faculty. be assigned a 'home room' in their zone, and will stay in that room for the majority of their lessons, with teaching staff moving between classes. This will be the case for all lessons but for ADT and PE, where pupils will work in those areas for their lessons</p> <ul style="list-style-type: none"> - Senior staff will be <i>high presence</i> to support calm and considered movement at lesson changeovers. Senior staff will own their zones and HoY will base themselves with in their cohort zone throughout. 		
--	--	--	--	--	--

RISK ASSESSMENT

		<ul style="list-style-type: none"> - We have redesigned our operational plans in line with this requirement – we have rewritten the timetable to ensure that a break is built at the end of each lesson for pupils to go to the faculty outside area and remove their masks for 10 minutes, should they wish to do so. Teaching staff will sanitise their rooms during this break before the arrival of the next cohort, massively reduced movement. Lessons will be 75 minutes rather than the usual hour, to include a 10 minute ‘comfort break’ at a natural break point to be determined by the teacher. Lunch is staggered 30 minutes for each cohort. — The amount of take home resources will be restricted and where possible limited to online resources. Exercise books will still be marked, in line with the amended marking risk assessment, but will remain in school as far as possible. - Every pupil will be provided with their own pencil case containing stationery that they will need. - Pupils will be encouraged to bring their own stationery and equipment and will not be allowed to share. Teachers will have a small contingency supply of stationery to distribute if required — The sharing of stationery and other equipment will be prevented where possible. If shared equipment is used, it will be cleaned thoroughly between each group using it <p>Large gatherings, such as assemblies, will be avoided</p> <p>Parents and carers will be reminded not to gather at the school gate nor come on to the site without an appointment</p> <p>In making the change from home room bubbles to a movement plan, we have taken into account the additional mitigation afforded by increased wearing of masks, mass testing of pupils to identify asymptomatic cases, the detriment which could be caused by pupils remaining in one room all day without the opportunity to move or remove their masks and the educational benefits of teaching from one room.</p>	<p>ALT</p> <p>RM STAFF</p> <p>RM STAFF</p>	<p>2nd Sept</p> <p>2nd Sept 2nd Sept</p> <p>2nd Sept</p> <p>2nd Sept</p>	<p>Y</p>

RISK ASSESSMENT

Cleaning	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> 1. Consult with cleaning contractor to be clear of cleaning expectations, both day-to-day and where any deep clean may be appropriate 2. More frequent cleaning procedures should be in place across the site, particularly in communal areas and at touch points including: <ul style="list-style-type: none"> o Taps and washing facilities, o Toilet flush and seats, o Door handles and push plates, o Handrails on staircases and corridors, o Lift and hoist controls, o Machinery and equipment controls, o Telephone equipment, 	- Deep clean of site the week before students return	RM	29th Aug	Y
			- Review cleaning on-site during the school day to clean across the site; toilets, high touch points and food servery/eating areas between sittings.	RM	2 nd Sept	
			Cleaning packs in every classroom for students and staff to clean work areas between lessons and as required.	RM	2 nd Sept	
			- Set protocols for overnight cleaning teams to ensure all areas are thoroughly cleaned, using a specific antibacterial product.	RM	2 nd Sept	
			- Operational review of cleaning standards to ensure requisite standards are maintained.	RM	2 nd Sept	
			- Plan to be put in place to manage cleaning if we are informed that someone has tested positive with covid-19 - any area/room they have accessed should be secured for 72 hours then undergo a thorough clean.	RM	2 nd Sept	
- Ensure the COSHH risk assessment for cleaning/caretaker activities has identified the correct process and PPE to be worn.	RM	2 nd Sept				

RISK ASSESSMENT

		<ul style="list-style-type: none"> ○ Keyboards, photocopiers and other office equipment, classroom desks and chairs. 				
Lunchtime Catering facilities	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	1. Consideration should be made for food service and how this will be managed and how social distancing can be achieved in the school kitchen and dining areas	— Serving food — additional servery, simple dishes	RM	2 nd Sept	Y
			— Queuing protocols provided with supervisory duty rota with clear duty responsibilities	RM	2 nd Sept	
			— Different lunch periods for each year group	RM	2 nd Sept	
			— Packed lunch area identified to lessen pressure on canteen space — Cash loaders out of service — online payment only - Wipe Down cleaning between lunch breaks	RM	2 nd Sept	
Fire Safety	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	1. Ensure fire safety protocols are updated for new school layout and operation, and that pupils and staff understand new arrangements 2. Ensure new fire arrangements are tested with a full drill — or a series of full drills if necessary.	- We will hold to our current Fire Evacuation Plan which are in year group arrangements, but we will move the assembly areas to fit the new zoning arrangements and to reduce numbers of pupils in each area	RM	2 nd Sept	Y
			— Early drill to check new arrangements are suitable, repeated if necessary	RM	2 nd Sept	
			— Personal Emergency Evacuation Plans (PEEPs) are in place for those staff that continue to work in the school and any pupils that access the school site, which should include lifts.	RM	2 nd Sept	
			— Ensure all emergency escape routes / doors are fully operational and kept clear.	RM	2 nd Sept	
			- Reminders to staff and pupils that if the fire alarm is activated that they must still keep 2m distancing when at the evacuation point.	ALT	2 nd Sept	
Access/Egress of school building	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	1. Ensure safe access to site and all arrival and departure protocols are clear and followed	— The School Day will be as usual with pupils entering the site and making their way to their ‘zones’ as outlined above	ALT	2 nd Sept	Y
			— New duty rota in place for new arrangements, including senior duty leadership protocols	ALT	2 nd Sept	
			— Leadership team on duty on front gate for bus arrivals.	ALT	2 nd Sept	
			— Heads of Year based in their zones at beginning, throughout and end of the day	EW	7 th Sept	
			— Buildings will have 1 way entrances and exits as far as practicable.	RM	2 nd Sept	
			- We plan to provide sanitizers on all entrances.	RM	2 nd Sept	

RISK ASSESSMENT

			<ul style="list-style-type: none"> - Door wedges used to keep doors open in classrooms and corridors to minimise touch points. Fire marshals instructed to close doors on evacuation. - Priority will be given to disabled users and those identified as having health related issues 	RM	2 nd Sept	
				RM	2 nd Sept	
First Aid	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> 1. Where there may be limited staff, the requirement to provide suitable first aid cover to all staff and students has been assessed with suitable first aid provided. Access to first aid facilities is maintained and the school suitably stocked with first aid sundries. 2. Review of the First Aid policy to include consideration of the risk of infection of covid-19. 	<ul style="list-style-type: none"> - First Aid staff available in all year group bubbles - All first aid kits stocked with additional PPE first aid training refreshed September 2020 - A revised system for calling first aiders in place for September. - Protocols published to all first aid staff on how to manage students where close contact is required. - Students with medical needs managed by Lead first aider and arrangements in place to manage medication via year offices within bubbles, where possible. - Procedures in place for any students who need to go home due to illness. - First aid policy Covid-19 annex to include new protocols. - Trust review of first aid policy to include Covid-19 infection. 	RM RM RM RM RM RM RM	4 th Sept 2 nd Sept 2 nd Sept 2 nd Sept 4 th Sept 2 nd Sept 2 nd Sept	Y
Waste	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> 1. Relocate waste bins to key strategic positions both in school buildings and in external areas that are in use in order that waste materials can be managed safely 2. Bins should be emptied daily. 	<ul style="list-style-type: none"> - Every classroom has supply of tissues and lidded bin for 'Catch it, Kill it, Bin it' approach - Tissues and spent disposable masks are placed in these lidded bins - These are emptied daily by designated cleaner in PPE - Standard bins located in each classroom for routine waste - Large bins have been relocated to each zoned social area 	RM	2 nd Sept	Y
Staff/Pupils within the shielded group	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> 1. Any member of staff or pupil that is within the <u>Clinically extremely vulnerable group</u> must have a risk assessment undertaken that includes how social distancing will be maintained in a Covid-19 safe workplace. 2. Staff/pupils that meet the criteria as <u>clinically vulnerable people</u> e.g. 	<p>Risk assessments of Medical Needs / EHCP will be updated; and distributed to LT/HoYs/FTs.</p> <p>Risk assessments of key staff will be established in light of the guidance.</p>	CP RM	2 nd Sept 2 nd Sept	

RISK ASSESSMENT

		<p>diabetics, those who are <u>pregnant</u>, should have a risk assessment completed to identify any suitable control measures that must be in place before returning to work/school.</p>				
Contractors	<p>COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person</p>	<ol style="list-style-type: none"> All <u>contractors</u> must provide a suitable and sufficient risk assessment for the activities they carry out which must <u>include covid-19</u>. All planned/reactive maintenance to be carried out during out of hours unless seen as an emergency. 	<ul style="list-style-type: none"> Contractors complete a permit to work including a Covid-19 section which details who, where and doing what. Additional risk assessment for large, complex jobs or for work ongoing. Site team will manage maintenance as required. Contractors on site will be limited to before 8am or after 3pm unless critical to the safe operation of the academy. 	<p>RM</p> <p>RM</p> <p>RM</p>	<p>2nd Sept</p> <p>2nd Sept</p> <p>2nd Sept</p>	<p>Y</p>
Hygiene	<p>COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person</p>	<ol style="list-style-type: none"> The school has a suitable supply of soap and access to warm water for washing hands. Appropriate controls are in place to ensure the suitable sanitisation of pupils' hands following breaks, before meals and following the use of toilets. 	<ul style="list-style-type: none"> Each bubble has a designated toilet close to their zones — only to be used by that year group Hand sanitiser points in each zone's entrance and exit Hand sanitiser is provided in every classroom A new cleaning shift has been established to clean touchpoints / toilets and between canteen sittings on a rolling schedule throughout each day - 	<p>RM</p>		<p>Y</p>
Accident reporting Covid-19 incidents		<ol style="list-style-type: none"> The Health & Safety Executive have recently updated <u>the Reporting of Injuries, Diseases and Dangerous Occurrences regulations (RIDDOR)</u> to include the requirement to report possible or actual exposure to the Covid-19 virus as a result of, or in connection with, a work activity.. 	<ul style="list-style-type: none"> Accident/near miss reporting to include possible/actual exposure to Covid 19 at work. Staff advised how to report during training days. 	<p>RM</p> <p>RM</p>	<p>2nd Sept</p> <p>2nd Sept</p>	<p>Y</p>

RISK ASSESSMENT

Administrative Staff	COVID-19 being present and contracted/spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> Staff shift rota to be in place so as to keep social distances and allow school office to function. 	<ul style="list-style-type: none"> RM to create administration staff requirements and rota if necessary Administrative space repurposed to enable optimum physical distancing for adults working in those spaces 	RM RM	2 nd Sept 2 nd Sept	Y
Personal Protective Equipment	COVID-19 being present and contracted/spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> Personal Protective Equipment should not be used as an alternative to social distancing, except where there is no other practical solution. Where individuals choose to wear masks that is permissible under the guidelines listed right Where close proximity working is required for longer than 15 minutes, assess the need to issue employees with appropriate Personal Protective Equipment. Re-usable PPE should be thoroughly cleaned after use and not shared between staff. 	<ul style="list-style-type: none"> Some limited PPE will be provided by school, especially for those staff who will be required to work in closer proximity to pupils (First Aid, SEN support etc) Where distancing cannot be maintained staff should wear a mask, visor (or goggles), apron and nitrile gloves If staff wish to wear PPE, the school will provide cleanable visors for their use. These should be shared under any circumstances. Masks are not to be worn in school as they can compromise communication Our strongest advice is that staff and pupils should wear a mask or face covering both on classrooms and in communal areas inside. Face visors or shields should NOT be worn as an alternative to face coverings. This advice will be repeated regularly. Staff may remove their masks if it is necessary to facilitate good teaching practice providing all other mitigations are implemented Our strongest advice is that staff should wear a mask or face covering in communal areas inside. Face visors or shields should NOT be worn as an alternative to face coverings. This advice will be repeated regularly. Pupils are not considered to require the use of PPE It is accepted that some staff or students are exempt from wearing a face mask because of physical impairment, disability, illness or mental health difficulties will However, we appreciate the extent to which use of PPE can be a confidence factor for parents and pupils in their decision to return to school, so we will provide visors for any pupil whose parents wish them to wear one – to being with these may be subject to availability. Pupils should not wear masks in classrooms for the same reason as outlined above for staff. We will maintain a small contingency supply of masks for people who have 	RM	2 nd Sept	Y

RISK ASSESSMENT

			<p>forgotten to bring their face covering or if it has become damp, soiled or unsafe</p> <ul style="list-style-type: none"> A protocol for the safe wearing of face coverings will be adopted including cleaning hands before and after touching, including removing or putting back on, the safe storage in a sealable plastic bag between use and disposal of temporary face covering in the lidded bins provided 			
Behaviour	COVID-19 being present and contracted/ spread by pupil, staff member, visitor on school premises or any other person	<ol style="list-style-type: none"> Staff/Pupil behaviour and cooperation will be the key to implementing all of the controls. School will carry out inductions to inform staff and pupils of the changes. Encourage staff to cooperate with government plans for contact tracing. 	<ul style="list-style-type: none"> Additional behaviour annex written and shared with staff De-escalation zones established for each year group Heads of year and other pastoral support staff will be based in each zone to support teaching staff with challenging behaviour Amendments to behaviour policy will be shared with staff, parents and pupils at the start of the new term 	EW EW EW EW	2 nd -Sept 2 nd -Sept 2 nd -Sept 2 nd -Sept	Y
School Staffroom / workroom	COVID-19 being present and contracted/ spread by staff member or visitor on school premises or any other person	<ol style="list-style-type: none"> Arrangements should be made to ensure the staffroom is not overcrowded and social distancing can be achieved e.g. stagger lunch times for staff. 	<ul style="list-style-type: none"> Extra staff workspace provided to limit pressure on staffroom space Staffroom space repurposed to provide for physical distancing in non-contact time Staff lunches staggered as with pupils lunchtimes 	AF AF AF	2 nd -Sept 2 nd -Sept 2 nd -Sept	

RISK ASSESSMENT

Infection Control	Staff Pupils Handwashing	1. Staff and pupils have access at all times to water and soap for hand washing.	- Toilets fully stocked and monitored by site team to ensure stock availability	RM	2 nd Sept	Y
		2. Removal of shared items e.g. utensils	- Hand-sanitising stations built and provided in all zones	RM	2 nd Sept	
			- Toilet protocol in place to allow pupils to access toilets as needed and not limited to social times as would usually be the case	RM	2 nd Sept	
Lack of staff	Pupils	1. Assessment of availability of staff for all activities during the school day, including break and lunchtimes	Staff duty rotas reorganised for full return	ALT	2 nd Sept	Y
			Staffing levels closely monitored at all times – sufficient capacity created within emergency timetable to cover all but the most serious absence	RM	7 th Sept	
			Daily report to trust outlining current staffing ratios and scanning for likely future problems	RM	7 th Sept	
Increased risk of transmission	Staff and Pupils social distancing	<ol style="list-style-type: none"> 1. Ensure availability of staff is adequate 2. Ensure that social distancing measures can be maintained at all times 3. Review activities that can be carried out 4. The behaviour policy is reviewed to take into account COVID-19, to include exclusion for pupils who deliberately put others at risk (e.g. coughing, or spitting at others) and pupils who will not (as opposed to cannot) comply with social distancing. 	<ul style="list-style-type: none"> - Covered in several sections above <p>All pupils will be offered three two lateral flow tests on site and home test kits for twice weekly home tests afterwards. All staff will be offered lateral flow home test kits. There is a separate risk assessment and control measures in place for this activity</p>	RM	8th March	
Dedicated school transport, including statutory provision	Pupils and transport staff	1. Local authority responsible for school transport – KLA staff will supervise embarkation and arrival processes to ensure safety and transmission control	<ul style="list-style-type: none"> Pupils contacted by LA school transport team to advise on bus transport, including need for face masks and seating arrangements, as well as social distancing wherever possible KLA duty rota has senior staff available at beginning and end of each day to supervise safe loading /unloading - Pupils are encouraged to be dropped to school by parents, walk, cycle or scooter in preference to arriving by bus wherever it is possible and safe to do so 	RM AF		Y

RISK ASSESSMENT

Physical activity	Pupils and staff	<ol style="list-style-type: none"> Outdoor sports should be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene Pupils should be kept in consistent groups Sports equipment thoroughly cleaned between each use by different individual groups Contact sports to be avoided. 	<ul style="list-style-type: none"> PE time will be protected as far as possible – the benefits clearly outweigh the risk of having reduced or no PE Contact sports, invasion sports and those requiring shared equipment avoided PE lessons exclusively at end of school day Pupils with PE on their timetable for a school day are allowed to wear PE kit throughout the day to avoid need to use changing facilities. Pupils and staff are strongly encouraged wear face coverings when moving between registration bases and outside PE areas and this advice will be repeated regularly. PE lessons will take place outdoors 	LCT LCT RM STAFF	2 nd Sept 2 nd Sept 2 nd Sept 2 nd Sept	Y
Signage	Pupils and staff	<ol style="list-style-type: none"> Signage is provided to inform staff and pupils regarding social distancing, hand cleaning etc. 	<ul style="list-style-type: none"> Signage clearly shows where each Year Group are supposed to go, including circulation flows from the front of the school to each 'zone' Signage for each toilet clearly identifying that each toilet block is for exclusive use of one cohort only. - Coronavirus (COVID-19): implementing protective measures in education and childcare settings can be found [here](#)
- Safe working in education, childcare and children's social care settings, including the use of personal protective equipment (PPE) can be found [here](#)

General staff and pupil advice on limiting the spread of coronavirus in the Educational Setting

Government advice is clear PPE, including facemasks should be taken into account where employees could be put at risk.

The use of such PPE does not replace or reduce the need to follow the government guidance in relation to hygiene practices

Frequently clean and disinfect objects and surfaces that are touched regularly, using your recommended cleaning products.

- Wash your hands with soap and water often – do this for at least 20 seconds.
- Use hand sanitiser gel if soap and water are not available.
- Staff and Pupils should wash their hands as soon as they get to school and when they arrive home, after they blow their nose, cough or sneeze, before they eat or handle food.
- Cover mouth and nose with a tissue or a sleeve (not hands) when you cough or sneeze.
- Put used tissues in the bin immediately and wash your hands afterwards.

Handwashing techniques advice can be found [here](#)
