10 Top Tips for Parents and Educators ENCOURAGING OPEN CONVERSATIONS AT HOME

With tricky topics and occasional clashes of opinion, it can be challenging to maintain an environment where children feel able to talk candidly and honestly. However, encouraging such conversations helps to develop trust – making it easier to unpack even sensitive subjects as children get older. Here are our top tips for promoting open conversations at home.

1 CREATE A SAFE SPACE

Criticism, blaming or shaming can all prevent children from feeling emotionally safe – while showing affection, positive attention and an interest in what a child has to say builds their sense of security. These formative years are when children's opinions and values begin to take shape, so it's important to provide a non-judgmental environment in which to discuss them – especially if their opinions differ from your own.

2 CONSIDER OTHER OUTLETS

Some children may find it easier to talk while they're participating in another activity such as drawing, writing, walking or sport. If it's possible, taking part in these activities together presents you with an opportunity to communicate while doing something side by side. A child may feel less pressure that way and can be more inclined to open up of their own accord.

3 NORMALISE CHATS ABOUT FEELINGS

Incorporate mental health and emotional wellbeing into everyday conversations, using age-appropriate language and examples to help children understand their emotions. Ask questions like "How are you feeling today?", "What was the best and worst part of your day?", "If you could start today again, what would you do differently?" and "Is there anything you want to talk about?"

4 LISTEN ACTIVELY

When children express themselves, make it obvious that you're listening closely and giving them your full attention. Maintain eye contact and validate their feelings without immediately trying to solve the problem. It's not helpful to dismiss their issues as childish or 'teenage angst' – or to assume that they'll simply 'get over' whatever they're feeling. Children don't have your life experience; their resilience is still developing as they learn to push through difficulties and handle problems.

5 ASK OPEN QUESTIONS

Encourage children to share their thoughts by asking open questions about their feelings and experiences. Closed questions (such as "Did you enjoy school today?") are more likely to elicit a simple "yes" or "no" response. Instead, you could ask things like "Who did you spend time with at break?" or "Who did you sit with at lunchtime?"

6 RESPECT THEIR BOUNDARIES

If a child isn't ready to talk to about something yet, respect their boundaries: this reinforces that their feelings are important and worthy of consideration. Ideally, you're aiming to let them know you care without smothering them, so just make it clear that you're there for them whenever they're ready to chat. Gentle, regular check-ins can sometimes be the best form of progress.

7 LEAD BY EXAMPLE

Model open, honest and healthy communication in front of children and young people. Try to demonstrate kindness when talking about others and yourself, because if children hear adults being overly harsh, critical or judgmental, or see them having unrealistic expectations of themselves, it makes them more likely to adopt and repeat this behaviour themselves as they grow.

8 HAVE REGULAR CHECK-INS

Check in with children periodically to discuss how they're feeling and what's going on in their lives. This could be a weekly or monthly conversation, where the child has an opportunity to share whatever's on their mind. For parents and carers, getting away from the house and other distractions might be productive here; you could consider regular trips to a coffee shop or a café, or just a weekly walk.

9 PROVIDE RESOURCES

It's often beneficial to let children know about other support that's available to them if they're struggling to talk to you specifically. Encourage them to talk to school counsellors, trusted adults or even a therapist, if necessary – while normalising this route and dispelling the harmful stigma around asking for help. Older children could engage with resources such as Kooth or YoungMinds.

10 CELEBRATE EMOTIONAL EXPRESSION

It's beneficial to praise children for expressing their feelings honestly – emphasising how important it is to talk about their emotions and how proud you are of them for doing so. This can be especially pivotal for boys, who often experience more of a stigma around talking frankly about their feelings and their mental health – a barrier that can be overcome, with enough love and support.

As we approach the Easter break, the War Hammer Alliance at King's Lynn Academy is gearing up for our first ever tournament.

This will be our first ever competitive set of Age of Simar and 40K matches since the WHA first began.

Each member has been given a set of the rules and play instructions to read over and prepare over the break to return in the summer term to be victorious.

Some members - myself included- will even be bringing in our own armies to compete.

If this tournament goes as hoped, we will be arranging a much bigger set of competitive games before the end of the school year.

This half term the WHA have been working hard on the painting side of the hobby and have achieved some very impressive results which I will be adding to future updates to show off their skills.

Although we are only coming to the end of our second term of this school year, I am already thinking ahead to the next academic year where our year 8 members will be able to integrate their participation in the WHA with the Duke of Edinburgh award scheme which some of our group are already thinking about.

As always, the War Hammer Alliance is open to anyone and everyone, all you need to do is come along to S4 after school on a Thursday and see what we do.

"First to be forged, never to fail"

Mr Blows.

Year 7 Round Up – Compiled by Mrs West:

It is finally the time of year again that we get to celebrate the success of the students in our house assemblies. As a Head of Year this is always one of my proudest moments. It has been another exceptional term of learning and achievement. We have one more celebration assembly in the summer so I would encourage all to continue working hard.

Year 7 Round Up Continued....

Well done to all the above students, it is fantastic to see how many points have been awarded this term. Let's all try for even more next term!!!

★ ★ Student of the week this week is **Elliott Barr**. Elliott has such a positive influence on the year group and it is a pleasure to see him every day. I know all your hard work will pay off and it is already showing with your great assessment results. Fantastic work Elliott! ★ ★

I hope you all have the most fantastic break and manage to enjoy some time together - hopefully, with some sunshine!!

Mrs West.

Year 8 Round Up – Compiled by Miss Fountain:

Hi all,

Apologies for my absence, I am now back and hopefully able to avoid any more nasty bugs!!

On the topic of absence, year 8's attendance for last week was down to 90.7%, which is proof these bugs are not budging! With yesterday being the official beginning of Spring, hopefully the weather will start to improve, meaning the bugs will disappear.

This week the assemblies weren't in year groups, they were the termly house assemblies, where we get a chance to award those students who always try their hardest, rewarded with a blazer badge, if the student has good attendance and has 10 or less behaviour points. If the student doesn't reach that criteria, they can still be awarded a highly commended certificate.

More about rewards, this week students in year 8 accumulated, between them a massive 1763 achievement points!! Well done to them all!!

The individuals with top achievement points this week are: -

Student	Points awarded
Jayden Wilson	29
Albert Obisesan	27
Lily-Rose Webster	27
Shyanne Bramwell	25
Rosey McNeill-Cook	25

Well done to them all!!

The student of the week for year 8 this week is a young man who has had a fabulous week, even smashing it after school for a school rugby match, which I have been told he was amazing in!!

The student of the week this week is.....

Dillon Whittle!!

Well done Dillon I am so, so proud of you !!

There still seems to be a few uniform issues especially with the girls and wearing leggings to school. Please remember that leggings are NOT part of the KLA uniform code, it should be tailored trousers. The compulsory uniform basics: black trousers/KLA skirt, white shirt, KLA blazer, KLA tie, KLA V-neck jumper is additional uniform but NOT COMPULSORY therefore not a replacement for a blazer. Repeat offenders will be issued with an after-school detention for refusal to follow school rules.

I hope you all have a great weekend and stay safe.

Take care,

Miss Fountain.

Year 9 Round Up – Compiled by Mrs Laws:

Well, this half term has certainly flown by. I know it has been a short one, but it has been packed with lots of options stuff, work and more work. Next term we will continue to crack on with the options, looking at timetables and sorting out the curriculum because, as you can imagine it, a long process which takes careful planning.

Last week we raised £674.10 for Comic relief which is great.

As we break up, can I please take this opportunity to remind you of the school expectations on uniform in case you need to purchase new bits during the holidays.

Students should be in school blazer (jumpers are optional so once the warmer weather comes students should be in their blazers not wearing jumpers instead), tailored school trousers (not leggings, jeggings, jeans etc.), white shirt, KLA tie and black shoes/plain black trainers. We want students to take pride in wearing their uniform and being part of the KLA community.

Attendance in year 9 was 84.4% this week which is down on last week.

Well done to those of you who were here all week, and to those of you who have 100% attendance this academic year, that is an amazing achievement! If your child has to have time off school, please ensure that you call the absence line on 01553 779635 or call the main reception and select option 1 to explain why. If we send you a text message and you are unable to respond, please send a note in with your child when they return to school explaining why they have been away. Attendance matters especially as we get nearer to our GCSE's as every lesson counts.

As a group we have achieved 1500 reward points which is amazing!

Our highest achiever was **Mylaa Kovaliova**, congratulations to her.

Student of the Week goes to **Izzy Wood**. Izzy is leaving us for pastures new, we wish her well and will miss her.

Our celebration assemblies took place on Thursday 21st for Stargard, today was Riga, Monday 25th is Hamburg and Tuesday 26th is La Rochelle. It was great to be able to celebrate all the good things our students do and reward them for it with certificates and blazer badges. As normal one person from each year group in each house received the Head of Year award and there was also the Endeavour award where a student is nominated by a member of staff from each year group for having gone above and beyond during the past term.

Have a lovely 2 weeks off, rest up, recharge your batteries and we will see you all on Monday 15th April, ready to hit the summer term running (just think it won't be long before we are calling you all year 10s!!) PS Try not to eat too many Easter Eggs!

Mrs Laws.

I know it was only a short half term but WOW, where has this term gone!

As always, the students have been working hard again this week. We have achieved 1972 reward points. That is fantastic. So proud of you all as you have all worked so hard again this week!. A HUGE well done to our highest achievers this week. They are Nikita Volkov and Liam Wright. Both students have received over 25 reward points each this week. Brilliant boys, well done!

As we reach the end of another term, huge congratulations to the following 10 students who has received the highest reward points this term as the figures stand on 20/3/24. They are the top ten out of the whole year group. Such an amazing achievement. Well done to you all, so proud of you all.

Attendance in year 10 was about the same this week. We are at 83 % again. Well done to those of you who were here all week, and to those of you who have 100% attendance this academic year, that is an amazing achievement! If your child has to have some time off school, please ensure that you contact the absence team if possible **before 8.30am** preferably via our absence email on [**studentabsence@kla.eastern-mat.co.uk**](mailto:studentabsence@kla.eastern-mat.co.uk) or call the absence line 01553 779635. Please include your child's name, year group and why they are absent.

I'd like to nominate our student of the week as **Nikita Volkov**. Not only is he one of the highest achievers this week, but also in the top 10 highest achievers for this term. Absolutely smashing it! So over the past few months, Nikita has gone from strength to strength. It has been wonderful to see the hard work and dedication he has put into his learning, both his work and engagement in lessons and the effort he's putting into himself too. Nikita has recently taken on a boxing programme within school and has also been featured on Motiv8's promo video! Move over Anthony Joshua! Nikita has really shown us his potential and I hope we continue to see more of it. Well done Nikita, now make sure you keep it up!

Year 10 Round Up continued.....

The head of year team monitor the number of students arriving late at school so I would like to remind you that all students need to be in school and ready to learn before 8:35am please. There are sanctions that are in place for lateness, and these will be an after-school detentions for 30 minutes the same day. We really do appreciate your support with any after-school detentions. If your child is continuously late, if there is not improvement after me contacting you then I will be inviting you in for a meeting to discuss the issue. So many vital minutes of learning are lost through repeat lateness.

Just a reminder that if you need to contact me for a pastoral issue that you would like to discuss with me as Head of Year, then please email me Emma.Mann@kla.eastern-mat.co.uk. Alternatively, you can call me on **07511 225248**. Please remember that we have a 48-hour return of contact policy, but I always try my best to return calls and reply to emails. If, on the odd chance you don't hear from me and still want to discuss something, please try again, send a text to give me a little reminder nudge!

I would just like to take the opportunity to remind you all of the following dates -

Thursday 6th & Friday 7th June – History Trip – more details to follow.

Thursday 4th July – Careers taster day at college – more details to follow.

Wednesday 10th July – Rewards trip.

Thursday 11th July – Parents evening here at KLA.

Happy Easter to you all and have a fantastic break, stay safe.

Mrs Mann.

Year 11 Round Up – Compiled by Mrs Lockey:

Happy Friday!

Many thanks to all students in year 11 for their work in lessons this week, I have seen some great work in progress. We are looking at something for us all to do together as a reward.

Many thanks go to staff and students from the **UEA** that visited this week. They spoke about the importance of getting ready to think about options for the future career pathway and ways in which they needed help and support to do this.

Rewards Assemblies started this week.

Lots of rewards, certificates and blazer badges were handed out for the last rewards ceremony for year 11's. 😊

Thursday Stargard: Good Egg Award went to **Leonie Pepper**.

Friday Riga: Good Egg Award went to **Henry James**.

The other rewards will be presented next week on Monday and Tuesday by the heads of year **and Heads of House**.

After school lessons period 6 have also been put in place for year 11 these run after school Monday-Thursday. Many thanks for all those students that have attended this week these extra lessons are really important for embedding their knowledge.

KLA swap shop has been open again to students. This is proving to be successful especially when ties and blazers are forgotten. There is a small amount of lost property please send your child over to it if they have lost any uniform this week. Many thanks to the student commissioners in year 10 and 11 that help this to open every day. We also have a few coats that were unclaimed last term if your child has misplaced, please send them our way as we have a rail full that have not been claimed! Please ask your child you check as these will be taken to the refuge at the end of term.

Attendance in year 11 has been lowered this week due to being hit by bugs and colds and recovering from exams. We really need that last big push it was **87.59%** this week! We are really falling short of where we should be which is 95%.

Well done to those of you who were here all week, and to those of you that have 100% attendance this academic year so far. If your child has to have some time off school, please ensure that you contact the absence team if possible **before 8.30am** preferably via our absence email on studentabsence@kla.eastern-mat.co.uk or call the absence line 01553 779635. Please include your child's name, year group and why they are absent.

If it is a pastoral issue you would like to discuss with me as Head of Year, then please email me on hayley.lockey@kla.eastern-mat.co.uk If your child attends college on Thursday's and they are absent or have an appointment, you will also have to let them know of their absence. Their number is 01553 761144 ,many thanks in advance.

The number of year 11 students arriving late at school has slightly decreased this week I would really appreciate your support with this. All students need to be in school and ready to learn before **8:35am** please this so important as learning time is lost. Thank you all so much for your support with this. This is so important every minute counts including every single lesson.

There are sanctions that are in place for lateness, and these are followed by after school detentions and parents contacted on a daily basis.

Year 11 Round Up continued....

All heads of year are checking uniform **EVERY** day and are contacting home, if necessary. No jeans or leggings please and blazers and ties are a must. If your child has been loaned a tie, could they please bring them back, we have a shortage of them at the moment. Bags need to be part of our day too and these should contain your child's knowledge organiser and equipment ready to learn.

Please let us know if we can support in any way as we have a swap shop here at KLA whereby students can bring any unwanted uniform and exchange for larger sizes if needed. Please be reminded **NO** fluffy coloured socks are permitted as uniform. We have also noticed acrylic nails popping up again these also are not allowed these are dangerous especially when taking part in practical subjects. Also nose piercings are creeping back in these are also not permitted and a clear retainer needs to be worn. Hair and Beauty students especially need to be mindful about not wearing jewellery, especially in the salon.

Year 11 need to keep up uniform standards even though we only have a few months left.

As a year group we have achieved **616** points this past week which is lower than normal for Year 11. Our highest achiever this week in the year group was **Braydon Griggs** a massive well done to him, once again so consistently getting it right.

Student of the week this week goes to **Darasleen Kaur** a well done to her for really working hard and making a great start back to this year. It has been noticed well done **Darasleen**, keep up the great work keep going you can do this!
