What Parents & Educators Need to Know about SHOPPING PLATFORMS

For people looking to make purchases on their phones, several shopping apps – such as Temu – allow users to buy goods at reduced prices. Others, like Vinted and Depop, let you sell items you no longer want. As internet shopping continues to grow, however, so does the risk of scammers, hackers and breaches of privacy.

WHAT ARE THE RISKS?

MISSING ITEMS

Users of Vinted, Depop and Temu have reported not receiving their products despite payment being taken. Users can initially contact the seller to query a missing item, and they have between two and five days (depending on the app) to tell the company what has happened. However, once the money has reached the supposed 'seller', it can be quite difficult to get back.

SCAMMERS AND PHISHING

Scammers are always on the lookout for unsuspecting buyers or sellers. Common tactics include cancelling shipment of an item once the payment has been processed or asking to conclude the chat and payment outside of the app, where the victim is no longer protected by the buyer protection plan. This should, naturally, be avoided at all costs.

DATA MISUSE

Apps of all kinds frequently collect our data, often asking for more information than is necessary to set up an account. Data gathered in this way is then usually sold on to third parties for marketing purposes. Lately, certain apps have been under scrutiny for using spyware to track their members' activities – but all too often, the user's consent to this practice has been hidden away in the terms and conditions.

FAKES OR REPLICAS

It's certainly not unheard of for poor-quality products to be falsely marketed as luxury items, using misleading pictures or clever wording. These disingenuous sales are sometimes outed by suspiciously low price tags, but this isn't always the case. For children and young people especially, there's a risk that the promise of bagging a high-end item for a fraction of its usual price will outshine any suspicions they may have.

SLOW REFUNDS

While all apps offer a refund if the product is damaged or doesn't match the description, it can take up to a month to be compensated for this. For many people (especially during a cost-of-living crisis) that can be a long time to be without both the product you bought and the hard-earned cash you spent on it.

MISLEADING DESCRIPTION

Some people will be able to notice when, say, a product's photo and its description don't seem to match. This isn't a reliable means of picking up on misleading marketing, however – especially not for children and young people, many of whom may not yet realise that such practices even exist. While it's illegal to advertise one thing and sell another, plenty of shady traders use clever wording and omissions to get around this.

Advice for Parents & Educators

ALWAYS STAY ON THE APP

It's vital that users pay for any goods through the same app on which they found them, to ensure they are covered by buyer protection. This means users can access support if the item arrives damaged, isn't as described, or doesn't arrive at all – allowing them to seek compensation for the loss. Such regulations can't protect you, however, if you didn't do the deal through the app in question.

BE WARY OF PHISHING ATTEMPTS

Scammers frequently send messages within these apps to steal personal and financial information from other users. Don't respond to these messages – and under no circumstances should you follow any links they contain. Check for spelling errors, as well as inspecting the name of the sender. Report any suspected phishing emails to the app's help centre – and notify your bank if you think your financial information has been compromised.

CHECK REVIEWS

Take time to read the reviews and comments left by other users – not just of products, but of sellers and buyers, to ensure they're legitimate and reliable. Before buying an item online, check the reviews for comments about the product's quality, the seller's communication and the delivery time. If you're selling, check the reviews of your buyer for red flags such as frequent requests for refunds or claims of 'missing' items.

KEEP SAFE AS A SELLER

Sellers can be exploited just as much as buyers. Some users may purchase an item, for example, then pretend it didn't arrive to secure a refund. Always take photos of the shipping label, along with a picture of you posting the item. Send the package's tracking number to the buyer and keep a copy for yourself, letting you investigate any future claims that it never arrived. When taking photos of items you're selling, ensure nothing personal is in the background.

Year 8 Career visitor from QEH:

Over 100 year 8 students attended two incredible presentations by Paul Bridges, the Practice Development Facilitator at the Queen Elizabeth Hospital, King's Lynn, on Monday 22nd April. Students heard about the operating theatre careers on offer, from work experience (accessible from the age of 16) up to college apprenticeships and degree-level surgical jobs. Paul talked about the unsung heroes of our operating theatres that look after the most vulnerable patients in their time of need. Students got "hands-on" with life-saving airway management kit and everyday surgical equipment, asking insightful questions such as, "What happens if you wake up during surgery?"

Thank you year 8, for representing KLA so well, and to Paul for the opportunity to hear about these exciting professions.

Year 7 Round Up – Compiled by Mrs West:

It is High School Musical week 😊 I am so excited that it is finally time for us to see all the hard work that the students have been putting into their performances. I will be attending the performance tonight and am very much looking forward to it. I am proud of how year 7 have integrated themselves into the Performing Arts team and it is such a supportive place to be. Once again, my thanks go to all staff involved who have spent many extra hours within school to give the students this amazing opportunity.

Year 7 are looking very smart this term. We are at the front doors each morning should there be any uniform issues that the students wish to talk to us about. It is essential that a tailored trouser is worn to school, leggings/joggers are not an accepted part of school uniform and, unfortunately, you will continue to get phone calls from me if your child is not bringing the correct uniform with them into school.

Attendance for the whole week is 91.1%. Attendance is so vital for all students to make sure that they are not missing important parts of their lessons. I continue to thank you for helping get your children into school.

If your child has to have some time off school, please ensure that you contact the absence team if possible **before 8.30am** preferably via our absence email on studentabsence@kla.eastern-mat.co.uk or call the absence line 01553 779635. Please include your child's name, year group and why they are absent.

Russell, Ralphie	542
Mann, Hope	540
Sudnickis, Damian	528
Caponka, Emilis	524
Hailstone, Roman	515

★ ★ Student of the week this week is **Harry Clarke**. Harry has made really good progress this year. All teachers are really pleased with how you have matured into high school life. Well Done Harry, keep up the good work!! ★ ★

Assembly this week was all about how we learn from making mistakes and how this is true not only throughout childhood but also in adult life. From the mistakes we make we grow and learn. Mr Reeve-Hayes delivered this in a very entertaining way to the students and it was a great assembly.

Once again, have a lovely weekend and I look forward to seeing the children refreshed on Monday and ready to start the new week.

Mrs West.

Year 8 Round Up – Compiled by Miss Fountain:

Happy Friday everyone!!

Well, another week seems to have flown by.

This week's assembly was about failure. It sounds quite a strange topic, but it was to show the students that if at first you don't succeed, keep going and never give up on your dreams!! It detailed how Walt Disney was shunned when he first attempted to become a cartoonist. That was a real eye opener.

Talking of success, how wonderful has the High School Musical production been!! Every single one of those young people should be so, so proud of themselves!! From Troy and Gabriella, aka my wonderful year 8 students, **Albie Miller** and **Lily-Rose Webster**, to the behind-the-scenes helpers, each and every one of them are absolutely amazing.

This leads me nicely on to achievement points for the whole year. The combined total for this week is a whopping, 1394!! And, the top 5 achievement point scorers are:

Student	Achievement points
Bramwell, Shyanne	20
Obisesan, Albert	20
Eke, Charlie	18
Anderson, Thomas	17
Batterbee, Ethan	16
Mycock, Jacob	15
Robinson, James-John	15
Vasileva, Nikoleta	15
Watts, Samuel	15

Well done to them all!! Fabulous achievements and so lovely to see some new names on the board!!

As a prize, Monday morning there will be a chocolate bar and post card waiting for them.

The student of the week this week goes to a lovely young lady who, probably doesn't even realise what she is doing is noticed, but in my opinion, she really is a lovely young lady and such a good friend. By supporting her friend daily whilst she is on crutches, holding her bag and just being a lovely friend, she has made me feel so proud watching her every day, for the last 6 months at least.

My student of the week this week is **Nikoleta Vasileva**, Nikoleta can come to see me Monday for a prize.

Year 8 Round Up continued....

Attendance this week for year 8 is sitting at 91.5%. This is good but obviously I would like it to be higher.

Talking of attendance, if your child is unwell, please remember to contact us before 8.30am preferably via our absence email on:

studentabsence@kla.eastern-mat.co.uk or call the absence line **01553 779635**.

Please include your child's name, year group and why they are absent.

Please remember leggings are NOT allowed as an alternative to trousers and blazers are compulsory.

Have a fantastic weekend everyone and stay safe.

Miss Fountain.

Year 9 Round Up – Compiled by Mrs Laws:

Good evening from KLA year 9.

School has been flat out again this week. Students have been working hard as usual in lessons.

I had the pleasure of staying last night to watch the school production of High School Musical, it was amazing. The students had worked so hard rehearsing during the holidays, after school etc., and it certainly showed. I am sure there will be plenty of pictures and stories about the show to follow from the drama department.

Congratulations to all involved for a brilliant show and thank you to everyone involved helping them, giving up their free time.

A reminder that school starts at 8.35am every day so students should be here by 8.30am so they arrive at their lessons on time, ready to start the day. If a student is late, they will be issued a 30 minute after school detention to be sat that afternoon.

As I have previously said, we love to hear what our students have been up to in their spare time. **Will Phoenix** had the opportunity to help behind the scenes in a short film over the holidays. He joined a group of youngsters as extras in a local man's film, where he shares his story of the hard time he had during his school years as an undiagnosed male. The film will be released on YouTube soon and is called My Brain My World.

Attendance in Year 9 was 89.3% this week, which is down on last week, let's work hard at getting that back up please year 9. Well done to those of you who were here all week, and to those of you who have 100% attendance this academic year, that is an amazing achievement! If your child has to have some time off school, please ensure that you contact the absence team if possible **before 8.30am** preferably via our absence email on studentabsence@kla.eastern-mat.co.uk or call the absence line 01553 779635. Please include your child's name, year group and why they are absent.

As a group we have achieved just under 1000 reward points which is amazing but let's try for more! Our highest achiever was **Thomas Jackson** so congratulations to him!

Student of the Week goes to **Lily Horner**. Since we have returned from break Lily has smashed it. I've had nothing but complements from her teachers especially Miss Hammond on how well she is doing in lessons going above and beyond with work. Keep it up Lily!!!

Year 9 Update continued.....

Our assembly this week was about how failure helps define us as a person, we learn from our mistakes. Pushing through fear is less frightening than living with the fear that comes from a feeling of helplessness.

Mr Reeve-Hayes spoke about John Hunter, a renowned surgeon from the 18th century, 8 students helped reenact one of his surgeries. He was famous for amputating a leg in 90 seconds, he treated it as a theatre show, spectators were encouraged to come and watch, many of the patients and spectators died during the shows or after it from injuries inflicted by the surgeon at the time, so we could see him as a failure, but he went onto work with Edward Jenner who invented the smallpox vaccine and do many more amazing things. The Hunterian Society in London is named in his honour. The moral of the story being, we learn from failure and just because we fail or feel a failure we shouldn't give up.

D of E training this weekend, here at school, ready for the real thing in June. Hopefully the weather will be kind to them.

Have a wonderful weekend and we will see you all on Monday.

Mrs Laws.

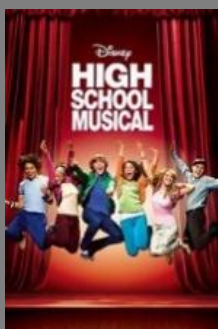

Year 10 Round Up – Compiled by Mrs Mann:

What on earth is happening with this weather! Shocking hey!

Attendance in year 10 was 87% again. This really needs to improve next week. Please remember that everyday matters! Well done to those of you who were here all week, and to those of you who have 100% attendance this academic year, that is an amazing achievement and something to be proud of! If your child has to have some time off school, please ensure that you contact the absence team if possible **before 8.30am** preferably via our absence email on studentabsence@kla.eastern-mat.co.uk or call the absence line 01553 779635. Please include your child's name, year group and why they are absent.

As a year group, we have achieved over 1477 reward points by Thursday morning! That is AMAZING year 10's! Well done! A HUGE well done to our highest achievers this week. They are **Lilly Bocock, Joshua Coady, Isla-Mae Garrod** and **Liam Wright**. All these students have received between 16-20 reward points in just 3 days. Brilliant, well done everyone!

My student of the week is **William Hornby**. Will is a cracking young man who has really impressed me over the last term, and I'm pleased to see this has carried on this term too. Will has knuckled down and is producing some fantastic work in most of his lessons. Keep up the hard work Will, I'm so proud of you.

A massive congratulations to all the students and staff involved with this year's production which was High School Musical. It was a fantastic turn out every evening and each show was amazing. The students and staff have all worked so hard with rehearsals stage sets, costumes, props, the list is endless. Well done to everyone that was involved.

As always, the head of year team continue to monitor the number of students arriving late at school so I would like to remind you that all students need to be in school and ready to learn before 8:35am please. There are sanctions that are in place for lateness, and these will be after-school detentions for 30 minutes the same day. We really do appreciate your support with any after-school detentions. If your child is continuously late, if there is not improvement after me contacting you then I will be inviting you in for a meeting to discuss the issue. So many vital minutes of learning are lost through repeat lateness.

Another recap regarding uniform - black trousers, no jeans, or leggings. KLA skirts only with white shirts, tie, and blazer. If you do have any issues with your child's uniform this or if you need any help purchasing items, please do not hesitate to contact me as we have some uniform in the swap shop which may help. If any students have borrowed any ties from us over the last few weeks, PLEASE can we have them back ASAP. I'd also like to remind you that fluffy coloured socks are not permitted as uniform. We have lots of acrylic nails still. As you know, these also are not allowed for school. Please can we ask that they are removed asap.

Just a reminder that if you need to contact me for a pastoral issue that you would like to discuss with me as Head of Year, then please email me Emma.Mann@kla.eastern-mat.co.uk. Alternatively, you can call me on **07511 225248**. Please remember that we have a 48-hour return of contact policy, but I always try my best to return calls and reply to emails. If, on the odd chance you don't hear from me and still want to discuss something, please try again, send a text to give me a little reminder nudge!

Just a reminder of a few dates for your calendar.

Thursday 6th & Friday 7th June – History trip – more details to follow.

Thursday 4th July – Careers Taster Day at college – more details to follow.

Wednesday 10th July – Rewards trip.

Year 10 Round Up continued.....

Thursday 11th July – Parents evening here at KLA.

Have a wonderful weekend.

Mrs Mann

Year 11 Round Up – Compiled by Mrs Lockey:

Happy Friday!

Many thanks to all students in year 11 for their work in lessons this week, I have seen some great work in progress. We have had an Art exam this week, well done to all students who have worked so very hard. MFL mock exams have also been taking place alongside lots of intervention for PE/Maths/English and Science. A massive thankyou goes to all the staff involved in supporting our year 11's.

After school lessons period 6 have also been put in place for year 11, these run after school Monday-Thursday. Many thanks for all those students that have attended this week, these extra lessons are really important for embedding their knowledge.

KLA swap shop has been open again to students. This is proving to be successful especially when ties and blazers are forgotten. There is a small amount of lost property please send your child over to it if they have lost any uniform this week. Many thanks to the student commissioners in year 10 and 11 that help this to open every day.

Attendance in year 11 has been **89.9%** this week! We are really falling short of where we should be which is **95%**. Well done to those of you who were here all week, and to those of you that have 100% attendance this academic year so far. If your child has to have some time off school, please ensure that you contact the absence team if possible **before 8.30am** preferably via our absence email on studentabsence@kla.eastern-mat.co.uk or call the absence line 01553 779635. Please include your child's name, year group and why they are absent. If it is a pastoral issue you would like to discuss with me as Head of Year, then please email me on Hayley.Lockey@kla.eastern-mat.co.uk

If your child attends college on Thursday's and they are absent or have an appointment, you will also have to let them know of their absence. Their number is 01553 761144 many thanks in advance. Please do not text my work phone with absences as I cannot always guarantee that I will see the messages.

All heads of year are checking uniform **EVERY** day and are contacting home, if necessary, no jeans or leggings please and blazers and ties are a must. If your child has been loaned a tie, could they please bring them back, we have a shortage of them at the moment. Bags need to be part of our day too and these should contain your child's knowledge organiser and equipment ready to learn.

Please let us know if we can support in any way as we have a swap shop here at KLA whereby students can bring any unwanted uniform and exchange for larger sizes if needed. Please be reminded **NO** fluffy coloured socks are permitted as uniform. We have also noticed acrylic nails popping up again these also are not allowed these are dangerous especially when taking part in practical subjects. Also nose piercings are creeping back in these are also not permitted and a clear retainer needs to be worn. Hair and Beauty students especially need to be mindful about not wearing jewellery, especially in the salon.

Year 11 need to keep up uniform standards even though we only have a few more weeks left.

As a year group we have achieved **1,013** points this past week. Our highest achiever this week in the year group was **Charlie Hornigold** a massive well done goes to them, once again for consistently getting it right.

Student of the week this week goes to **Henry James**, well done to him for really working hard and making a great start back to this year. It has been noticed, well done **Henry**, keep up the great work, keep going you can do this!

Year 11 Round Up continued....

I had the absolute pleasure of watching High School Musical last night, it was absolutely amazing! The cast were fabulous and have all worked so very hard. Massive congrats to them and to **Miss Worledge & Miss Mace** and all that have supported them. It's a fond farewell to my year 11's as it's their last one! Shout out to **Millie-Rose Chapman, Callum Barber & Amelia Hale, KLA superstars!**

Year 11 Information

Year 11 Leavers Assembly has now been moved to Tuesday 11th June due to exams.

Re-Dazzle Prom Shop: I have a selection of new and used suits, dresses, shoes, and handbags. If any student would like to have a look at any items, please feel free to send my way. Any donations always welcome.

Year 11 Prom Friday July 5th tickets **£23 each** they are currently on sale, payment via ParentPay. Please see menu attached. We will be looking to sit down to eat our meal together and enjoy an outside catering company coming in to traditionally cook our food. Drinks will be served on arrival and throughout the evening and dancing shoes will definitely be needed! There will be an opportunity to buy photographs on the evening details to follow nearer the time pictures will be taken on arrival and also throughout the evening in a separate area.

Information about **leavers hoodies** - they have now arrived and have been distributed. Please be aware for the exams your child's blazer will need to be worn without the hoody. Many thanks go to **Miss Pannell** and **Mr Blows** with helping to distribute. Normal uniform is also in place underneath the hoodies.

Many thanks in advance.

Stay safe and keep safe have a lovely weekend 😊

Mrs Lockey.
